Apache License

Version 2.0, January 2004

=========================

http://www.apache.org/licenses/

TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION

1. Definitions.

"License" shall mean the terms and conditions for use, reproduction, and

distribution as defined by Sections 1 through 9 of this document.

"Licensor" shall mean the copyright owner or entity authorized by the copyright

owner that is granting the License.

"Legal Entity" shall mean the union of the acting entity and all other entities

that control, are controlled by, or are under common control with that entity.

For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"You" (or "Your") shall mean an individual or Legal Entity exercising permissions granted by this License.

"Source" form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

"Object" form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

"Work" shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

"Derivative Works" shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

"Contribution" shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on

behalf of the copyright owner. For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as "Not a Contribution."

"Contributor" shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

2. Grant of Copyright License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.

3. Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to

You under this License for that Work shall terminate as of the date such litigation is filed.

4. Redistribution. You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:

 a. You must give any other recipients of the Work or Derivative Works a copy of this License; and

 b. You must cause any modified files to carry prominent notices stating that You changed the files; and

 c. You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and

 d. If the Work includes a "NOTICE" text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions. Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

6. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

7. Disclaimer of Warranty. Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.

8. Limitation of Liability. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in

writing, shall any Contributor be liable to You for damages, including any

direct, indirect, special, incidental, or consequential damages of any character

arising as a result of this License or out of the use or inability to use the

Work (including but not limited to damages for loss of goodwill, work stoppage,

computer failure or malfunction, or any and all other commercial damages or

losses), even if such Contributor has been advised of the possibility of such

damages.

9. Accepting Warranty or Additional Liability. While redistributing the Work or

Derivative Works thereof, You may choose to offer, and charge a fee for,

acceptance of support, warranty, indemnity, or other liability obligations and/or

rights consistent with this License. However, in accepting such obligations, You

may act only on Your own behalf and on Your sole responsibility, not on behalf of

any other Contributor, and only if You agree to indemnify, defend, and hold each

Contributor harmless for any liability incurred by, or claims asserted against,

such Contributor by reason of your accepting any such warranty or additional

liability.

END OF TERMS AND CONDITIONS

APPENDIX: How to apply the Apache License to your work

To apply the Apache License to your work, attach the following boilerplate

notice, with the fields enclosed by brackets "[]" replaced with your own

identifying information. (Don't include the brackets!) The text should be

enclosed in the appropriate comment syntax for the file format. We also recommend

that a file or class name and description of purpose be included on the same

"printed page" as the copyright notice for easier identification within

third-party archives.

  Copyright [yyyy] [name of copyright owner] Licensed under the Apache License,

Version 2.0 (the "License"); you may not use this file except in compliance

with the License. You may obtain a copy of the License at

http://www.apache.org/licenses/LICENSE-2.0 Unless required by applicable law

or agreed to in writing, software distributed under the License is

distributed on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY

KIND, either express or implied. See the License for the specific language

governing permissions and limitations under the License.

(Winnovative HTML to PDF Converter for .NET Optimized for... 12.15.0)

END-USER LICENSE AGREEMENT FOR ACME SOFTWARE

==

IMPORTANT READ CAREFULLY: This ACME End-User License Agreement ("EULA") is a

legal agreement between you (either an individual or a single entity) and ACME

Corporation for the ACME software product identified above, which includes

computer software and may include associated media, printed materials, and

"online" or electronic documentation ("SOFTWARE PRODUCT"). The SOFTWARE PRODUCT

also includes any updates and supplements to the original SOFTWARE PRODUCT

provided to you by ACME. Any software provided along with the SOFTWARE PRODUCT

that is associated with a separate end-user license agreement is licensed to you

under the terms of that license agreement. By installing, copying, downloading,

accessing, or otherwise using the SOFTWARE PRODUCT, you agree to be bound by the

terms of this EULA. If you do not agree to the terms of this EULA, do not install

or use the SOFTWARE PRODUCT; you may, however, return it to your place of

purchase for a full refund.

SOFTWARE PRODUCT LICENSE

The SOFTWARE PRODUCT is protected by copyright laws and international copyright
treaties, as well as other intellectual property laws and treaties. The SOFTWARE
PRODUCT is licensed, not sold.

   1. GRANT OF LICENSE. This EULA grants you the following rights:

     * Applications Software. You may install, use, access, display, run, or

       otherwise interact with ("RUN") one copy of the SOFTWARE PRODUCT, or any

       prior version for the same operating system, on a single computer,

       workstation, terminal, handheld PC, pager, "smart phone," or other

       digital electronic device ("COMPUTER"). The primary user of the COMPUTER

       on which the SOFTWARE PRODUCT is installed may make a second copy for his

       or her exclusive use on a portable computer.

     * Reservation of Rights. All rights not expressly granted are reserved by

       ACME.

   2. DESCRIPTION OF OTHER RIGHTS AND LIMITATIONS.

     * Not for Resale Software. If the SOFTWARE PRODUCT is labeled "Not For

       Resale" or "NFR," then, notwithstanding other sections of this EULA, your

       use of the SOFTWARE PRODUCT is limited to use for demonstration, test, or

       evaluation purposes and you may not resell, or otherwise transfer for

       value, the SOFTWARE PRODUCT.

     * Limitations on Reverse Engineering, Decompilation, and Disassembly. You

       may not reverse engineer, decompile, or disassemble the SOFTWARE PRODUCT,

       except and only to the extent that such activity is expressly permitted

by applicable law.

* Separation of Components. The SOFTWARE PRODUCT is licensed as a single

  product. Its component parts may not be separated for use on more than

  one COMPUTER.

* Trademarks. This EULA does not grant you any rights in connection with

  any trademarks or service marks of ACME.

* Rental. You may not rent, lease, or lend the SOFTWARE PRODUCT.

* Support Services. ACME may provide you with support services related to

  the SOFTWARE PRODUCT ("Support Services"). Use of Support Services is

  governed by the ACME policies and programs described in the user manual,

  in "online" documentation, and/or in other ACME-provided materials. Any

  supplemental software code provided to you as part of the Support

  Services shall be considered part of the SOFTWARE PRODUCT and subject to

  the terms and conditions of this EULA.

* Software Transfer. The initial licensee of the SOFTWARE PRODUCT may make

  a one-time permanent transfer of this EULA and SOFTWARE PRODUCT only

  directly to an end user. This transfer must include all of the SOFTWARE

  PRODUCT (including all component parts, the media and printed materials,

  any upgrades, this EULA, and, if applicable, the Certificate of

  Authenticity). Such transfer may not be by way of consignment or any

  other indirect transfer. The transferee of such one-time transfer must

  agree to comply with the terms of this EULA, including the obligation not

  to further transfer this EULA and SOFTWARE PRODUCT.

* Termination. Without prejudice to any other rights, ACME may terminate

  this EULA if you fail to comply with the terms and conditions of this

EULA. In such event, you must destroy all copies of the SOFTWARE PRODUCT

and all of its component parts.

3. COPYRIGHT. All title and copyrights in and to the SOFTWARE PRODUCT

(including but not limited to any images, photographs, animations, video,

audio, music, text, and "applets" incorporated into the SOFTWARE PRODUCT),

the accompanying printed materials, and any copies of the SOFTWARE PRODUCT

are owned by ACME or its suppliers. All title and intellectual property

rights in and to the content that may be accessed through use of the SOFTWARE

PRODUCT is the property of the respective content owner and may be protected

by applicable copyright or other intellectual property laws and treaties.

This EULA grants you no rights to use such content. If this SOFTWARE PRODUCT

contains documentation that is provided only in electronic form, you may

print one copy of such electronic documentation. You may not copy the printed

materials accompanying the SOFTWARE PRODUCT.

4. BACKUP COPY. After installation of one copy of the SOFTWARE PRODUCT pursuant

to this EULA, you may keep the original media on which the SOFTWARE PRODUCT

was provided by ACME solely for backup or archival purposes. If the original

media is required to use the SOFTWARE PRODUCT on the COMPUTER, you may make

one copy of the SOFTWARE PRODUCT solely for backup or archival purposes.

Except as expressly provided in this EULA, you may not otherwise make copies

of the SOFTWARE PRODUCT or the printed materials accompanying the SOFTWARE

PRODUCT.

5. U.S. GOVERNMENT RESTRICTED RIGHTS. All SOFTWARE PRODUCT provided to the U.S.

Government pursuant to solicitations issued on or after December 1, 1995 is

provided with the commercial rights and restrictions described elsewhere

herein. All SOFTWARE PRODUCT provided to the U.S. Government pursuant to

solicitations issued prior to December 1, 1995 is provided with RESTRICTED

RIGHTS as provided for in FAR, 48 CFR 52.227-14 (JUNE 1987) or FAR, 48 CFR

252.227-7013 (OCT 1988), as applicable.

6. EXPORT RESTRICTIONS. This SOFTWARE PRODUCT has been classified by the US
Government as exportable under License Exception TSU. Therefore the following
terms apply: You agree that you will not export or re-export the SOFTWARE
PRODUCT, any part thereof, or any process or service that is the direct
product of the SOFTWARE PRODUCT (the foregoing collectively referred to as
the Restricted Components), to any country, person or entity subject to U.S.
export restrictions. You specifically agree not to export or re-export any of
the Restricted Components (i) to any country to which the U.S. has embargoed
or restricted the export of goods or services, which currently include, but
are not necessarily limited to Cuba, Iran, Iraq, Libya, North Korea, Sudan
and Syria, or to any national of any such country, wherever located, who
intends to transmit or transport the Restricted Components back to such
country; (ii) to any person or entity who you know or have reason to know
will utilize the Restricted Components in the design, development or
production of nuclear, chemical or biological weapons; or (iii) to any person
or entity who has been prohibited from participating in U.S. export
transactions by any federal agency of the U.S. government. You warrant and
represent that neither the Bureau of Export Administration nor any other U.S.
federal agency has suspended, revoked or denied your export privileges.

MISCELLANEOUS

This EULA is governed by the laws of the Commonwealth of Massachusetts and the
United States of America.

LIMITED WARRANTY

Johnson Controls, Inc.   **Restricted**

ACME warrants that (a) the SOFTWARE PRODUCT will perform substantially in

accordance with the accompanying written materials for a period of ninety (90)

days from the date of receipt, and (b) any Support Services provided by ACME

shall be substantially as described in applicable written materials provided to

you by ACME, and ACME support engineers will make commercially reasonable efforts

to solve any problem issues. Some states and jurisdictions do not allow

limitations on duration of an implied warranty, so the above limitation may not

apply to you.

CUSTOMER REMEDIES. ACMEs and its suppliersentire liability and your exclusive

remedy shall be, at ACMEs option, either (a) return of the price paid, if any, or

(b) repair or replacement of the SOFTWARE PRODUCT that does not meet ACMEs

Limited Warranty and which is returned to ACME with a copy of your receipt. This

Limited Warranty is void if failure of the SOFTWARE PRODUCT has resulted from

accident, abuse, or misapplication. Any replacement SOFTWARE PRODUCT will be

warranted for the remainder of the original warranty period or thirty (30) days,

whichever is longer.

NO OTHER WARRANTIES. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ACME AND

ITS SUPPLIERS DISCLAIM ALL OTHER WARRANTIES AND CONDITIONS, EITHER EXPRESS OR

IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY,

FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT, WITH REGARD TO THE

SOFTWARE PRODUCT, AND THE PROVISION OF OR FAILURE TO PROVIDE SUPPORT SERVICES.

THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY HAVE OTHERS, WHICH

VARY FROM STATE/JURISDICTION TO STATE/JURISDICTION.

LIMITATION OF LIABILITY. To the maximum extent permitted by applicable law, in no

event shall ACME or its suppliers be liable for any special, incidental,

indirect, or consequential damages whatsoever (including, without limitation,

damages for loss of business profits, business interruption, loss of business

information, or any other pecuniary loss) arising out of the use of or inability

to use the SOFTWARE PRODUCT or the provision of or failure to provide Support

Services, even if ACME has been advised of the possibility of such damages. In

any case, ACMEs entire liability under any provision of this EULA shall be

limited to the greater of the amount actually paid by you for the SOFTWARE

PRODUCT or U.S. $5.00; provided, however, if you have entered into a ACME Support

Services Agreement, ACMEs entire liability regarding Support Services shall be

governed by the terms of that agreement. Because some states and jurisdictions do

not allow the exclusion or limitation of liability, the above limitation may not

apply to you.

CREATIVE COMMONS CORPORATION IS NOT A LAW FIRM AND DOES NOT PROVIDE LEGAL

SERVICES. DISTRIBUTION OF THIS LICENSE DOES NOT CREATE AN ATTORNEY-CLIENT

RELATIONSHIP. CREATIVE COMMONS PROVIDES THIS INFORMATION ON AN "AS-IS" BASIS.

CREATIVE COMMONS MAKES NO WARRANTIES REGARDING THE INFORMATION PROVIDED, AND

DISCLAIMS LIABILITY FOR DAMAGES RESULTING FROM ITS USE.

License

THE WORK (AS DEFINED BELOW) IS PROVIDED UNDER THE TERMS OF THIS CREATIVE COMMONS

PUBLIC LICENSE ("CCPL" OR "LICENSE"). THE WORK IS PROTECTED BY COPYRIGHT AND/OR

OTHER APPLICABLE LAW. ANY USE OF THE WORK OTHER THAN AS AUTHORIZED UNDER THIS

LICENSE OR COPYRIGHT LAW IS PROHIBITED.

BY EXERCISING ANY RIGHTS TO THE WORK PROVIDED HERE, YOU ACCEPT AND AGREE TO BE

BOUND BY THE TERMS OF THIS LICENSE. TO THE EXTENT THIS LICENSE MAY BE CONSIDERED

TO BE A CONTRACT, THE LICENSOR GRANTS YOU THE RIGHTS CONTAINED HERE IN

CONSIDERATION OF YOUR ACCEPTANCE OF SUCH TERMS AND CONDITIONS.

1. Definitions

  a. "Adaptation" means a work based upon the Work, or upon the Work and other

   pre-existing works, such as a translation, adaptation, derivative work,

   arrangement of music or other alterations of a literary or artistic work, or

   phonogram or performance and includes cinematographic adaptations or any

   other form in which the Work may be recast, transformed, or adapted including

in any form recognizably derived from the original, except that a work that

constitutes a Collection will not be considered an Adaptation for the purpose

of this License. For the avoidance of doubt, where the Work is a musical

work, performance or phonogram, the synchronization of the Work in

timed-relation with a moving image ("synching") will be considered an

Adaptation for the purpose of this License.

b. "Collection" means a collection of literary or artistic works, such as

encyclopedias and anthologies, or performances, phonograms or broadcasts, or

other works or subject matter other than works listed in Section 1(f) below,

which, by reason of the selection and arrangement of their contents,

constitute intellectual creations, in which the Work is included in its

entirety in unmodified form along with one or more other contributions, each

constituting separate and independent works in themselves, which together are

assembled into a collective whole. A work that constitutes a Collection will

not be considered an Adaptation (as defined above) for the purposes of this

License.

c. "Distribute" means to make available to the public the original and copies

of the Work or Adaptation, as appropriate, through sale or other transfer of

ownership.

d. "Licensor" means the individual, individuals, entity or entities that

offer(s) the Work under the terms of this License.

e. "Original Author" means, in the case of a literary or artistic work, the

individual, individuals, entity or entities who created the Work or if no

individual or entity can be identified, the publisher; and in addition (i) in

the case of a performance the actors, singers, musicians, dancers, and other

persons who act, sing, deliver, declaim, play in, interpret or otherwise

perform literary or artistic works or expressions of folklore; (ii) in the

case of a phonogram the producer being the person or legal entity who first fixes the sounds of a performance or other sounds; and, (iii) in the case of broadcasts, the organization that transmits the broadcast.

f. "Work" means the literary and/or artistic work offered under the terms of this License including without limitation any production in the literary, scientific and artistic domain, whatever may be the mode or form of its expression including digital form, such as a book, pamphlet and other writing; a lecture, address, sermon or other work of the same nature; a dramatic or dramatico-musical work; a choreographic work or entertainment in dumb show; a musical composition with or without words; a cinematographic work to which are assimilated works expressed by a process analogous to cinematography; a work of drawing, painting, architecture, sculpture, engraving or lithography; a photographic work to which are assimilated works expressed by a process analogous to photography; a work of applied art; an illustration, map, plan, sketch or three-dimensional work relative to geography, topography, architecture or science; a performance; a broadcast; a phonogram; a compilation of data to the extent it is protected as a copyrightable work; or a work performed by a variety or circus performer to the extent it is not otherwise considered a literary or artistic work.

g. "You" means an individual or entity exercising rights under this License who has not previously violated the terms of this License with respect to the Work, or who has received express permission from the Licensor to exercise rights under this License despite a previous violation.

h. "Publicly Perform" means to perform public recitations of the Work and to communicate to the public those public recitations, by any means or process, including by wire or wireless means or public digital performances; to make available to the public Works in such a way that members of the public may access these Works from a place and at a place individually chosen by them;

to perform the Work to the public by any means or process and the communication to the public of the performances of the Work, including by public digital performance; to broadcast and rebroadcast the Work by any means including signs, sounds or images.

i. "Reproduce" means to make copies of the Work by any means including without limitation by sound or visual recordings and the right of fixation and reproducing fixations of the Work, including storage of a protected performance or phonogram in digital form or other electronic medium.

2. Fair Dealing Rights. Nothing in this License is intended to reduce, limit, or restrict any uses free from copyright or rights arising from limitations or exceptions that are provided for in connection with the copyright protection under copyright law or other applicable laws.

3. License Grant. Subject to the terms and conditions of this License, Licensor hereby grants You a worldwide, royalty-free, non-exclusive, perpetual (for the duration of the applicable copyright) license to exercise the rights in the Work as stated below:

a. to Reproduce the Work, to incorporate the Work into one or more Collections, and to Reproduce the Work as incorporated in the Collections;

b. to create and Reproduce Adaptations provided that any such Adaptation, including any translation in any medium, takes reasonable steps to clearly label, demarcate or otherwise identify that changes were made to the original Work. For example, a translation could be marked "The original work was translated from English to Spanish," or a modification could indicate "The original work has been modified.";

c. to Distribute and Publicly Perform the Work including as incorporated in

Collections; and,

d. to Distribute and Publicly Perform Adaptations.

The above rights may be exercised in all media and formats whether now known or hereafter devised. The above rights include the right to make such modifications as are technically necessary to exercise the rights in other media and formats. Subject to Section 8(f), all rights not expressly granted by Licensor are hereby reserved, including but not limited to the rights set forth in Section 4(d).

4. Restrictions. The license granted in Section 3 above is expressly made subject to and limited by the following restrictions:

 a. You may Distribute or Publicly Perform the Work only under the terms of this
   License. You must include a copy of, or the Uniform Resource Identifier (URI)
   for, this License with every copy of the Work You Distribute or Publicly
   Perform. You may not offer or impose any terms on the Work that restrict the
   terms of this License or the ability of the recipient of the Work to exercise
   the rights granted to that recipient under the terms of the License. You may
   not sublicense the Work. You must keep intact all notices that refer to this
   License and to the disclaimer of warranties with every copy of the Work You
   Distribute or Publicly Perform. When You Distribute or Publicly Perform the
   Work, You may not impose any effective technological measures on the Work
   that restrict the ability of a recipient of the Work from You to exercise the
   rights granted to that recipient under the terms of the License. This Section
   4(a) applies to the Work as incorporated in a Collection, but this does not
   require the Collection apart from the Work itself to be made subject to the
   terms of this License. If You create a Collection, upon notice from any
   Licensor You must, to the extent practicable, remove from the Collection any
   credit as required by Section 4(c), as requested. If You create an
   Adaptation, upon notice from any Licensor You must, to the extent

practicable, remove from the Adaptation any credit as required by Section

4(c), as requested.

b. You may not exercise any of the rights granted to You in Section 3 above in

any manner that is primarily intended for or directed toward commercial

advantage or private monetary compensation. The exchange of the Work for

other copyrighted works by means of digital file-sharing or otherwise shall

not be considered to be intended for or directed toward commercial advantage

or private monetary compensation, provided there is no payment of any

monetary compensation in connection with the exchange of copyrighted works.

c. If You Distribute, or Publicly Perform the Work or any Adaptations or

Collections, You must, unless a request has been made pursuant to Section

4(a), keep intact all copyright notices for the Work and provide, reasonable

to the medium or means You are utilizing: (i) the name of the Original Author

(or pseudonym, if applicable) if supplied, and/or if the Original Author

and/or Licensor designate another party or parties (e.g., a sponsor

institute, publishing entity, journal) for attribution ("Attribution

Parties") in Licensor's copyright notice, terms of service or by other

reasonable means, the name of such party or parties; (ii) the title of the

Work if supplied; (iii) to the extent reasonably practicable, the URI, if

any, that Licensor specifies to be associated with the Work, unless such URI

does not refer to the copyright notice or licensing information for the Work;

and, (iv) consistent with Section 3(b), in the case of an Adaptation, a

credit identifying the use of the Work in the Adaptation (e.g., "French

translation of the Work by Original Author," or "Screenplay based on original

Work by Original Author"). The credit required by this Section 4(c) may be

implemented in any reasonable manner; provided, however, that in the case of

a Adaptation or Collection, at a minimum such credit will appear, if a credit

for all contributing authors of the Adaptation or Collection appears, then as

part of these credits and in a manner at least as prominent as the credits

for the other contributing authors. For the avoidance of doubt, You may only use the credit required by this Section for the purpose of attribution in the manner set out above and, by exercising Your rights under this License, You may not implicitly or explicitly assert or imply any connection with, sponsorship or endorsement by the Original Author, Licensor and/or Attribution Parties, as appropriate, of You or Your use of the Work, without the separate, express prior written permission of the Original Author, Licensor and/or Attribution Parties.

d.

For the avoidance of doubt:

i. Non-waivable Compulsory License Schemes. In those jurisdictions in which the right to collect royalties through any statutory or compulsory licensing scheme cannot be waived, the Licensor reserves the exclusive right to collect such royalties for any exercise by You of the rights granted under this License;

ii. Waivable Compulsory License Schemes. In those jurisdictions in which the right to collect royalties through any statutory or compulsory licensing scheme can be waived, the Licensor reserves the exclusive right to collect such royalties for any exercise by You of the rights granted under this License if Your exercise of such rights is for a purpose or use which is otherwise than noncommercial as permitted under Section 4(b) and otherwise waives the right to collect royalties through any statutory or compulsory licensing scheme; and,

iii. Voluntary License Schemes. The Licensor reserves the right to collect royalties, whether individually or, in the event that the Licensor is a member of a collecting society that administers voluntary licensing

schemes, via that society, from any exercise by You of the rights granted

under this License that is for a purpose or use which is otherwise than

noncommercial as permitted under Section 4(c).

e. Except as otherwise agreed in writing by the Licensor or as may be otherwise

permitted by applicable law, if You Reproduce, Distribute or Publicly Perform

the Work either by itself or as part of any Adaptations or Collections, You

must not distort, mutilate, modify or take other derogatory action in

relation to the Work which would be prejudicial to the Original Author's

honor or reputation. Licensor agrees that in those jurisdictions (e.g.

Japan), in which any exercise of the right granted in Section 3(b) of this

License (the right to make Adaptations) would be deemed to be a distortion,

mutilation, modification or other derogatory action prejudicial to the

Original Author's honor and reputation, the Licensor will waive or not

assert, as appropriate, this Section, to the fullest extent permitted by the

applicable national law, to enable You to reasonably exercise Your right

under Section 3(b) of this License (right to make Adaptations) but not

otherwise.

5. Representations, Warranties and Disclaimer

UNLESS OTHERWISE MUTUALLY AGREED TO BY THE PARTIES IN WRITING, LICENSOR OFFERS

THE WORK AS-IS AND MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND CONCERNING

THE WORK, EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING, WITHOUT

LIMITATION, WARRANTIES OF TITLE, MERCHANTIBILITY, FITNESS FOR A PARTICULAR

PURPOSE, NONINFRINGEMENT, OR THE ABSENCE OF LATENT OR OTHER DEFECTS, ACCURACY, OR

THE PRESENCE OF ABSENCE OF ERRORS, WHETHER OR NOT DISCOVERABLE. SOME

JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, SO SUCH EXCLUSION

MAY NOT APPLY TO YOU.

6. Limitation on Liability. EXCEPT TO THE EXTENT REQUIRED BY APPLICABLE LAW, IN

NO EVENT WILL LICENSOR BE LIABLE TO YOU ON ANY LEGAL THEORY FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES ARISING OUT OF THIS LICENSE OR THE USE OF THE WORK, EVEN IF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

7. Termination

a. This License and the rights granted hereunder will terminate automatically upon any breach by You of the terms of this License. Individuals or entities who have received Adaptations or Collections from You under this License, however, will not have their licenses terminated provided such individuals or entities remain in full compliance with those licenses. Sections 1, 2, 5, 6, 7, and 8 will survive any termination of this License.

b. Subject to the above terms and conditions, the license granted here is perpetual (for the duration of the applicable copyright in the Work). Notwithstanding the above, Licensor reserves the right to release the Work under different license terms or to stop distributing the Work at any time; provided, however that any such election will not serve to withdraw this License (or any other license that has been, or is required to be, granted under the terms of this License), and this License will continue in full force and effect unless terminated as stated above.

8. Miscellaneous

a. Each time You Distribute or Publicly Perform the Work or a Collection, the Licensor offers to the recipient a license to the Work on the same terms and conditions as the license granted to You under this License.

b. Each time You Distribute or Publicly Perform an Adaptation, Licensor offers to the recipient a license to the original Work on the same terms and

conditions as the license granted to You under this License.

c. If any provision of this License is invalid or unenforceable under applicable law, it shall not affect the validity or enforceability of the remainder of the terms of this License, and without further action by the parties to this agreement, such provision shall be reformed to the minimum extent necessary to make such provision valid and enforceable.

d. No term or provision of this License shall be deemed waived and no breach consented to unless such waiver or consent shall be in writing and signed by the party to be charged with such waiver or consent.

e. This License constitutes the entire agreement between the parties with respect to the Work licensed here. There are no understandings, agreements or representations with respect to the Work not specified here. Licensor shall not be bound by any additional provisions that may appear in any communication from You. This License may not be modified without the mutual written agreement of the Licensor and You.

f. The rights granted under, and the subject matter referenced, in this License were drafted utilizing the terminology of the Berne Convention for the Protection of Literary and Artistic Works (as amended on September 28, 1979), the Rome Convention of 1961, the WIPO Copyright Treaty of 1996, the WIPO Performances and Phonograms Treaty of 1996 and the Universal Copyright Convention (as revised on July 24, 1971). These rights and subject matter take effect in the relevant jurisdiction in which the License terms are sought to be enforced according to the corresponding provisions of the implementation of those treaty provisions in the applicable national law. If the standard suite of rights granted under applicable copyright law includes additional rights not granted under this License, such additional rights are deemed to be included in the License; this License is not intended to

restrict the license of any rights under applicable law.

Creative Commons Notice

Creative Commons is not a party to this License, and makes no warranty
whatsoever in connection with the Work. Creative Commons will not be liable
to You or any party on any legal theory for any damages whatsoever, including
without limitation any general, special, incidental or consequential damages
arising in connection to this license. Notwithstanding the foregoing two (2)
sentences, if Creative Commons has expressly identified itself as the
Licensor hereunder, it shall have all rights and obligations of Licensor.

Except for the limited purpose of indicating to the public that the Work is
licensed under the CCPL, Creative Commons does not authorize the use by
either party of the trademark "Creative Commons" or any related trademark or
logo of Creative Commons without the prior written consent of Creative
Commons. Any permitted use will be in compliance with Creative Commons'
then-current trademark usage guidelines, as may be published on its website
or otherwise made available upon request from time to time. For the avoidance
of doubt, this trademark restriction does not form part of the License.

GNU General Public License v2.0 or later

(jQuery UI unknown)

The GNU General Public License (GPL)

==================================

Version 2, June 1991

Copyright (C) 1989, 1991 Free Software Foundation, Inc.

59 Temple Place, Suite 330, Boston, MA 02111-1307 USAEveryone is permitted to copy and distribute verbatim copies

of this license document, but changing it is not allowed.

Preamble

The licenses for most software are designed to take away your freedom to share and change it. By contrast, the GNU General Public License is intended to guarantee your freedom to share and change free software--to make sure the software is free for all its users. This General Public License applies to most of the Free Software Foundation's software and to any other program whose authors commit to using it. (Some other Free Software Foundation software is covered by the GNU Library General Public License instead.) You can apply it to your programs, too.

When we speak of free software, we are referring to freedom, not price. Our General Public Licenses are designed to make sure that you have the freedom to distribute copies of free software (and charge for this service if you wish), that you receive source code or can get it if you want it, that you can change the software or use pieces of it in new free programs; and that you know you can do these things.

To protect your rights, we need to make restrictions that forbid anyone to deny you these rights or to ask you to surrender the rights. These restrictions translate to certain responsibilities for you if you distribute copies of the software, or if you modify it.

For example, if you distribute copies of such a program, whether gratis or for a fee, you must give the recipients all the rights that you have. You must make sure that they, too, receive or can get the source code. And you must show them these terms so they know their rights.

We protect your rights with two steps: (1) copyright the software, and (2) offer you this license which gives you legal permission to copy, distribute and/or modify the software.

Also, for each author's protection and ours, we want to make certain that everyone understands that there is no warranty for this free software. If the software is modified by someone else and passed on, we want its recipients to know that what they have is not the original, so that any problems introduced by others will not reflect on the original authors' reputations.

Finally, any free program is threatened constantly by software patents. We wish to avoid the danger that redistributors of a free program will individually obtain patent licenses, in effect making the program proprietary. To prevent this, we have made it clear that any patent must be licensed for everyone's free use or not licensed at all.

The precise terms and conditions for copying, distribution and modification follow.

TERMS AND CONDITIONS FOR COPYING, DISTRIBUTION AND MODIFICATION

1. This License applies to any program or other work which contains a notice placed by the copyright holder saying it may be distributed under the terms of this General Public License. The "Program", below, refers to any such program or work, and a "work based on the Program" means either the Program or any derivative work under copyright law: that is to say, a work containing the Program or a portion of it, either verbatim or with modifications and/or translated into another language. (Hereinafter, translation is included without limitation in the term "modification".) Each licensee is addressed as "you".

   Activities other than copying, distribution and modification are not covered by this License; they are outside its scope. The act of running the Program is not restricted, and the output from the Program is covered only if its contents constitute a work based on the Program (independent of having been

made by running the Program). Whether that is true depends on what the
Program does.

2. You may copy and distribute verbatim copies of the Program's source code as
you receive it, in any medium, provided that you conspicuously and
appropriately publish on each copy an appropriate copyright notice and
disclaimer of warranty; keep intact all the notices that refer to this
License and to the absence of any warranty; and give any other recipients of
the Program a copy of this License along with the Program.

You may charge a fee for the physical act of transferring a copy, and you may
at your option offer warranty protection in exchange for a fee.

3. You may modify your copy or copies of the Program or any portion of it, thus
forming a work based on the Program, and copy and distribute such
modifications or work under the terms of Section 1 above, provided that you
also meet all of these conditions:

a. You must cause the modified files to carry prominent notices stating
that you changed the files and the date of any change.

b. You must cause any work that you distribute or publish, that in whole or
in part contains or is derived from the Program or any part thereof, to
be licensed as a whole at no charge to all third parties under the terms
of this License.

c. If the modified program normally reads commands interactively when run,
you must cause it, when started running for such interactive use in the
most ordinary way, to print or display an announcement including an
appropriate copyright notice and a notice that there is no warranty (or
else, saying that you provide a warranty) and that users may redistribute

the program under these conditions, and telling the user how to view a

copy of this License. (Exception: if the Program itself is interactive

but does not normally print such an announcement, your work based on the

Program is not required to print an announcement.)

These requirements apply to the modified work as a whole. If identifiable

sections of that work are not derived from the Program, and can be reasonably

considered independent and separate works in themselves, then this License,

and its terms, do not apply to those sections when you distribute them as

separate works. But when you distribute the same sections as part of a whole

which is a work based on the Program, the distribution of the whole must be

on the terms of this License, whose permissions for other licensees extend to

the entire whole, and thus to each and every part regardless of who wrote it.

Thus, it is not the intent of this section to claim rights or contest your

rights to work written entirely by you; rather, the intent is to exercise the

right to control the distribution of derivative or collective works based on

the Program.

In addition, mere aggregation of another work not based on the Program with

the Program (or with a work based on the Program) on a volume of a storage or

distribution medium does not bring the other work under the scope of this

License.

4. You may copy and distribute the Program (or a work based on it, under

Section 2) in object code or executable form under the terms of Sections 1

and 2 above provided that you also do one of the following:

a. Accompany it with the complete corresponding machine-readable source

code, which must be distributed under the terms of Sections 1 and 2 above

on a medium customarily used for software interchange; or,

b. Accompany it with a written offer, valid for at least three years, to
give any third party, for a charge no more than your cost of physically
performing source distribution, a complete machine-readable copy of the
corresponding source code, to be distributed under the terms of Sections
1 and 2 above on a medium customarily used for software interchange; or,

c. Accompany it with the information you received as to the offer to
distribute corresponding source code. (This alternative is allowed only
for noncommercial distribution and only if you received the program in
object code or executable form with such an offer, in accord with
Subsection b above.)

The source code for a work means the preferred form of the work for making
modifications to it. For an executable work, complete source code means all
the source code for all modules it contains, plus any associated interface
definition files, plus the scripts used to control compilation and
installation of the executable. However, as a special exception, the source
code distributed need not include anything that is normally distributed (in
either source or binary form) with the major components (compiler, kernel,
and so on) of the operating system on which the executable runs, unless that
component itself accompanies the executable.

If distribution of executable or object code is made by offering access to
copy from a designated place, then offering equivalent access to copy the
source code from the same place counts as distribution of the source code,
even though third parties are not compelled to copy the source along with the
object code.

5. You may not copy, modify, sublicense, or distribute the Program except as
expressly provided under this License. Any attempt otherwise to copy, modify,

sublicense or distribute the Program is void, and will automatically

terminate your rights under this License. However, parties who have received

copies, or rights, from you under this License will not have their licenses

terminated so long as such parties remain in full compliance.

6. You are not required to accept this License, since you have not signed it.

However, nothing else grants you permission to modify or distribute the

Program or its derivative works. These actions are prohibited by law if you

do not accept this License. Therefore, by modifying or distributing the

Program (or any work based on the Program), you indicate your acceptance of

this License to do so, and all its terms and conditions for copying,

distributing or modifying the Program or works based on it.

7. Each time you redistribute the Program (or any work based on the Program),

the recipient automatically receives a license from the original licensor to

copy, distribute or modify the Program subject to these terms and conditions.

You may not impose any further restrictions on the recipients' exercise of

the rights granted herein. You are not responsible for enforcing compliance

by third parties to this License.

8. If, as a consequence of a court judgment or allegation of patent

infringement or for any other reason (not limited to patent issues),

conditions are imposed on you (whether by court order, agreement or

otherwise) that contradict the conditions of this License, they do not excuse

you from the conditions of this License. If you cannot distribute so as to

satisfy simultaneously your obligations under this License and any other

pertinent obligations, then as a consequence you may not distribute the

Program at all. For example, if a patent license would not permit

royalty-free redistribution of the Program by all those who receive copies

directly or indirectly through you, then the only way you could satisfy both

it and this License would be to refrain entirely from distribution of the

Program.

If any portion of this section is held invalid or unenforceable under any
particular circumstance, the balance of the section is intended to apply and
the section as a whole is intended to apply in other circumstances.

It is not the purpose of this section to induce you to infringe any patents
or other property right claims or to contest validity of any such claims;
this section has the sole purpose of protecting the integrity of the free
software distribution system, which is implemented by public license
practices. Many people have made generous contributions to the wide range of
software distributed through that system in reliance on consistent
application of that system; it is up to the author/donor to decide if he or
she is willing to distribute software through any other system and a licensee
cannot impose that choice.

This section is intended to make thoroughly clear what is believed to be a
consequence of the rest of this License.

9. If the distribution and/or use of the Program is restricted in certain
   countries either by patents or by copyrighted interfaces, the original
   copyright holder who places the Program under this License may add an
   explicit geographical distribution limitation excluding those countries, so
   that distribution is permitted only in or among countries not thus excluded.
   In such case, this License incorporates the limitation as if written in the
   body of this License.

10. The Free Software Foundation may publish revised and/or new versions of the
    General Public License from time to time. Such new versions will be similar
    in spirit to the present version, but may differ in detail to address new
    problems or concerns.

Each version is given a distinguishing version number. If the Program

specifies a version number of this License which applies to it and "any later

version", you have the option of following the terms and conditions either of

that version or of any later version published by the Free Software

Foundation. If the Program does not specify a version number of this License,

you may choose any version ever published by the Free Software Foundation.

11. If you wish to incorporate parts of the Program into other free programs

whose distribution conditions are different, write to the author to ask for

permission. For software which is copyrighted by the Free Software

Foundation, write to the Free Software Foundation; we sometimes make

exceptions for this. Our decision will be guided by the two goals of

preserving the free status of all derivatives of our free software and of

promoting the sharing and reuse of software generally.

NO WARRANTY

12. BECAUSE THE PROGRAM IS LICENSED FREE OF CHARGE, THERE IS NO WARRANTY FOR

THE PROGRAM, TO THE EXTENT PERMITTED BY APPLICABLE LAW. EXCEPT WHEN OTHERWISE

STATED IN WRITING THE COPYRIGHT HOLDERS AND/OR OTHER PARTIES PROVIDE THE

PROGRAM "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESSED OR IMPLIED,

INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND

FITNESS FOR A PARTICULAR PURPOSE. THE ENTIRE RISK AS TO THE QUALITY AND

PERFORMANCE OF THE PROGRAM IS WITH YOU. SHOULD THE PROGRAM PROVE DEFECTIVE,

YOU ASSUME THE COST OF ALL NECESSARY SERVICING, REPAIR OR CORRECTION.

13. IN NO EVENT UNLESS REQUIRED BY APPLICABLE LAW OR AGREED TO IN WRITING WILL

ANY COPYRIGHT HOLDER, OR ANY OTHER PARTY WHO MAY MODIFY AND/OR REDISTRIBUTE

THE PROGRAM AS PERMITTED ABOVE, BE LIABLE TO YOU FOR DAMAGES, INCLUDING ANY

GENERAL, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE

OR INABILITY TO USE THE PROGRAM (INCLUDING BUT NOT LIMITED TO LOSS OF DATA OR

DATA BEING RENDERED INACCURATE OR LOSSES SUSTAINED BY YOU OR THIRD PARTIES OR

A FAILURE OF THE PROGRAM TO OPERATE WITH ANY OTHER PROGRAMS), EVEN IF SUCH

HOLDER OR OTHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

END OF TERMS AND CONDITIONS

How to Apply These Terms to Your New Programs

If you develop a new program, and you want it to be of the greatest possible use

to the public, the best way to achieve this is to make it free software which

everyone can redistribute and change under these terms.

To do so, attach the following notices to the program. It is safest to attach

them to the start of each source file to most effectively convey the exclusion of

warranty; and each file should have at least the "copyright" line and a pointer

to where the full notice is found.

one line to give the program's name and a brief idea of what it does.Copyright (C)

This program is free software; you can redistribute it and/or

modify it under the terms of the GNU General Public License

as published by the Free Software Foundation; either version 2

of the License, or (at your option) any later version.

This program is distributed in the hope that it will be useful,

but WITHOUT ANY WARRANTY; without even the implied warranty of

MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE. See the

GNU General Public License for more details.

You should have received a copy of the GNU General Public License

along with this program; if not, write to the Free Software

Foundation, Inc., 59 Temple Place, Suite 330, Boston, MA 02111-1307 USA

Also add information on how to contact you by electronic and paper mail.

If the program is interactive, make it output a short notice like this when it

starts in an interactive mode:

Gnomovision version 69, Copyright (C) year name of author

Gnomovision comes with ABSOLUTELY NO WARRANTY; for details

type `show w'. This is free software, and you are welcome

to redistribute it under certain conditions; type `show c'

for details.

The hypothetical commands `show w' and `show c' should show the appropriate parts

of the General Public License. Of course, the commands you use may be called

something other than `show w' and `show c'; they could even be mouse-clicks or

menu items--whatever suits your program.

You should also get your employer (if you work as a programmer) or your school,

if any, to sign a "copyright disclaimer" for the program, if necessary. Here is a

sample; alter the names:

Yoyodyne, Inc., hereby disclaims all copyright

interest in the program `Gnomovision'

(which makes passes at compilers) written

by James Hacker.

signature of Ty Coon, 1 April 1989

Ty Coon, President of Vice

This General Public License does not permit incorporating your program into

proprietary programs. If your program is a subroutine library, you may consider

it more useful to permit linking proprietary applications with the library. If

this is what you want to do, use the GNU Library General Public License instead

of this License.

MICROSOFT SOFTWARE LICENSE TERMS

MICROSOFT .NET LIBRARY

===============================

These license terms are an agreement between Microsoft Corporation (or based on

where you live, one of its affiliates) and you. Please read them. They apply to

the software named above, which includes the media on which you received it, if

any. The terms also apply to any Microsoft

   * updates,

   * supplements,

   * Internet-based services, and

   * support services

for this software, unless other terms accompany those items. If so, those terms

apply.

BY USING THE SOFTWARE, YOU ACCEPT THESE TERMS. IF YOU DO NOT ACCEPT THEM, DO NOT

USE THE SOFTWARE.

IF YOU COMPLY WITH THESE LICENSE TERMS, YOU HAVE THE PERPETUAL RIGHTS BELOW.

 1. INSTALLATION AND USE RIGHTS.

    a. Installation and Use. You may install and use any number of copies of

the software to design, develop and test your programs. You may modify,

copy, distribute or deploy any .js files contained in the software as

part of your programs.

b. Third Party Programs. The software may include third party programs

that Microsoft, not the third party, licenses to you under this

agreement. Notices, if any, for the third party program are included for

your information only.

2. ADDITIONAL LICENSING REQUIREMENTS AND/OR USE RIGHTS.

a. DISTRIBUTABLE CODE. In addition to the .js files described above, the

software is comprised of Distributable Code. "Distributable Code" is code

that you are permitted to distribute in programs you develop if you

comply with the terms below.

i. Right to Use and Distribute.

* You may copy and distribute the object code form of the

software.

* Third Party Distribution. You may permit distributors of your

programs to copy and distribute the Distributable Code as part of

those programs.

b. Distribution Requirements. For any Distributable Code you distribute,

you must

* use the Distributable Code in your programs and not as a standalone

distribution;

* require distributors and external end users to agree to terms that

   protect it at least as much as this agreement;

* display your valid copyright notice on your programs; and

* indemnify, defend, and hold harmless Microsoft from any claims,

   including attorneys' fees, related to the distribution or use of your

   programs.

c. Distribution Restrictions. You may not

* alter any copyright, trademark or patent notice in the Distributable

   Code;

* use Microsoft's trademarks in your programs' names or in a way that

   suggests your programs come from or are endorsed by Microsoft;

* include Distributable Code in malicious, deceptive or unlawful

   programs; or

* modify or distribute the source code of any Distributable Code so

   that any part of it becomes subject to an Excluded License. An

   Excluded License is one that requires, as a condition of use,

   modification or distribution, that

   * the code be disclosed or distributed in source code form; or

   * others have the right to modify it.

* SCOPE OF LICENSE. The software is licensed, not sold. This agreement only

   gives you some rights to use the software. Microsoft reserves all other

Johnson Controls, Inc.   **Restricted**

rights. Unless applicable law gives you more rights despite this limitation,

you may use the software only as expressly permitted in this agreement. In

doing so, you must comply with any technical limitations in the software that

only allow you to use it in certain ways. You may not

* work around any technical limitations in the software;

* reverse engineer, decompile or disassemble the software, except and only

  to the extent that applicable law expressly permits, despite this

  limitation;

* publish the software for others to copy;

* rent, lease or lend the software; or

* transfer the software or this agreement to any third party.

* BACKUP COPY. You may make one backup copy of the software. You may use it

  only to reinstall the software.

* DOCUMENTATION. Any person that has valid access to your computer or internal

  network may copy and use the documentation for your internal, reference

  purposes.

* EXPORT RESTRICTIONS. The software is subject to United States export laws

  and regulations. You must comply with all domestic and international export

  laws and regulations that apply to the software. These laws include

  restrictions on destinations, end users and end use. For additional

  information, see www.microsoft.com/exporting

* SUPPORT SERVICES. Because this software is "as is," we may not provide

support services for it.

* ENTIRE AGREEMENT. This agreement, and the terms for supplements, updates,
Internet-based services and support services that you use, are the entire
agreement for the software and support services.

* APPLICABLE LAW.

  a. United States. If you acquired the software in the United States,
  Washington state law governs the interpretation of this agreement and
  applies to claims for breach of it, regardless of conflict of laws
  principles. The laws of the state where you live govern all other claims,
  including claims under state consumer protection laws, unfair competition
  laws, and in tort.

  b. Outside the United States. If you acquired the software in any other
  country, the laws of that country apply.

* LEGAL EFFECT. This agreement describes certain legal rights. You may have
other rights under the laws of your country. You may also have rights with
respect to the party from whom you acquired the software. This agreement does
not change your rights under the laws of your country if the laws of your
country do not permit it to do so.

* DISCLAIMER OF WARRANTY. THE SOFTWARE IS LICENSED "AS-IS." YOU BEAR THE RISK
OF USING IT. MICROSOFT GIVES NO EXPRESS WARRANTIES, GUARANTEES OR CONDITIONS.
YOU MAY HAVE ADDITIONAL CONSUMER RIGHTS OR STATUTORY GUARANTEES UNDER YOUR
LOCAL LAWS WHICH THIS AGREEMENT CANNOT CHANGE. TO THE EXTENT PERMITTED UNDER
YOUR LOCAL LAWS, MICROSOFT EXCLUDES THE IMPLIED WARRANTIES OF
MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT.

FOR AUSTRALIA – YOU HAVE STATUTORY GUARANTEES UNDER THE AUSTRALIAN CONSUMER LAW AND NOTHING IN THESE TERMS IS INTENDED TO AFFECT THOSE RIGHTS.

* LIMITATION ON AND EXCLUSION OF REMEDIES AND DAMAGES. YOU CAN RECOVER FROM MICROSOFT AND ITS SUPPLIERS ONLY DIRECT DAMAGES UP TO U.S. $5.00. YOU CANNOT RECOVER ANY OTHER DAMAGES, INCLUDING CONSEQUENTIAL, LOST PROFITS, SPECIAL, INDIRECT OR INCIDENTAL DAMAGES.

This limitation applies to

  * anything related to the software, services, content (including code) on third party Internet sites, or third party programs; and

  * claims for breach of contract, breach of warranty, guarantee or condition, strict liability, negligence, or other tort to the extent permitted by applicable law.

It also applies even if Microsoft knew or should have known about the possibility of the damages. The above limitation or exclusion may not apply to you because your country may not allow the exclusion or limitation of incidental, consequential or other damages. Please note: As this software is distributed in Quebec, Canada, some of the clauses in this agreement are provided below in French.

Remarque : Ce logiciel étant distribué au Québec, Canada, certaines des clauses dans ce contrat sont fournies ci-dessous en français.

EXONÉRATION DE GARANTIE. Le logiciel visé par une licence est offert « tel quel ». Toute utilisation de ce logiciel est à votre seule risque et péril. Microsoft n'accorde aucune autre garantie expresse. Vous pouvez bénéficier de droits additionnels en vertu du droit local sur la protection des

consommateurs, que ce contrat ne peut modifier. La ou elles sont permises par

le droit locale, les garanties implicites de qualité marchande, d'adéquation

à un usage particulier et d'absence de contrefaçon sont exclues.

LIMITATION DES DOMMAGES-INTÉRÊTS ET EXCLUSION DE RESPONSABILITÉ POUR LES

DOMMAGES. Vous pouvez obtenir de Microsoft et de ses fournisseurs une

indemnisation en cas de dommages directs uniquement à hauteur de 5,00 $ US.

Vous ne pouvez prétendre àaucune indemnisation pour les autres dommages, y

compris les dommages spéciaux, indirects ou accessoires et pertes de

bénéfices.

Cette limitation concerne :

 * tout ce qui est relié au logiciel, aux services ou au contenu (y compris

   le code) figurant sur des sites Internet tiers ou dans des programmes

   tiers ; et

 * les réclamations au titre de violation de contrat ou de garantie, ou au

   titre de responsabilité stricte, de négligence ou d'une autre faute dans

   la limite autorisée par la loi en vigueur.

Elle s'applique également, même si Microsoft connaissait ou devrait connaître

l'éventualité d'un tel dommage. Si votre pays n'autorise pas l'exclusion ou

la limitation de responsabilité pour les dommages indirects, accessoires ou

de quelque nature que ce soit, il se peut que la limitation ou l'exclusion

ci-dessus ne s'appliquera pas à votre égard.

EFFET JURIDIQUE. Le présent contrat décrit certains droits juridiques. Vous

pourriez avoir d'autres droits prévus par les lois de votre pays. Le présent

contrat ne modifie pas les droits que vous confèrent les lois de votre pays

si celles-ci ne le permettent pas.

Microsoft .NET Library Updated License

(Microsoft.Owin.Host.SystemWeb 3.0.1)

MICROSOFT SOFTWARE LICENSE TERMS MICROSOFT .NET LIBRARY These license terms are

an agreement between Microsoft Corporation (or based on where you live, one of

its affiliates) and you. Please read them. They apply to the software named

above, which includes the media on which you received it, if any. The terms also

apply to any Microsoft * updates, * supplements, * Internet-based services, and *

support services for this software, unless other terms accompany those items. If

so, those terms apply. BY USING THE SOFTWARE, YOU ACCEPT THESE TERMS. IF YOU DO

NOT ACCEPT THEM, DO NOT USE THE SOFTWARE. IF YOU COMPLY WITH THESE LICENSE TERMS,

YOU HAVE THE PERPETUAL RIGHTS BELOW. 1. INSTALLATION AND USE RIGHTS. a.

Installation and Use. You may install and use any number of copies of the

software to design, develop and test your programs. b. Third Party Programs. The

software may include third party programs that Microsoft, not the third party,

licenses to you under this agreement. Notices, if any, for the third party

program are included for your information only. 2. DATA. The software may collect

information about you and your use of the software, and send that to Microsoft.

Microsoft may use this information to improve our products and services. You can

learn more about data collection and use in the help documentation and the

privacy statement at http://go.microsoft.com/fwlink/?LinkId=528096 . Your use of

the software operates as your consent to these practices. 3. ADDITIONAL LICENSING

REQUIREMENTS AND/OR USE RIGHTS. a. DISTRIBUTABLE CODE. The software is comprised

of Distributable Code. "Distributable Code" is code that you are permitted to

distribute in programs you develop if you comply with the terms below. i. Right

to Use and Distribute. * You may copy and distribute the object code form of the

software. * Third Party Distribution. You may permit distributors of your

programs to copy and distribute the Distributable Code as part of those programs.

ii. Distribution Requirements. For any Distributable Code you distribute, you must * add significant primary functionality to it in your programs; * require distributors and external end users to agree to terms that protect it at least as much as this agreement; * display your valid copyright notice on your programs; and * indemnify, defend, and hold harmless Microsoft from any claims, including attorneys' fees, related to the distribution or use of your programs. iii. Distribution Restrictions. You may not * alter any copyright, trademark or patent notice in the Distributable Code; * use Microsoft's trademarks in your programs' names or in a way that suggests your programs come from or are endorsed by Microsoft; * include Distributable Code in malicious, deceptive or unlawful programs; or * modify or distribute the source code of any Distributable Code so that any part of it becomes subject to an Excluded License. An Excluded License is one that requires, as a condition of use, modification or distribution, that * the code be disclosed or distributed in source code form; or * others have the right to modify it. 4. SCOPE OF LICENSE. The software is licensed, not sold. This agreement only gives you some rights to use the software. Microsoft reserves all other rights. Unless applicable law gives you more rights despite this limitation, you may use the software only as expressly permitted in this agreement. In doing so, you must comply with any technical limitations in the software that only allow you to use it in certain ways. You may not * work around any technical limitations in the software; * reverse engineer, decompile or disassemble the software, except and only to the extent that applicable law expressly permits, despite this limitation; * publish the software for others to copy; * rent, lease or lend the software; * transfer the software or this agreement to any third party; or * use the software for commercial software hosting services. 5. BACKUP COPY. You may make one backup copy of the software. You may use it only to reinstall the software. 6. DOCUMENTATION. Any person that has valid access to your computer or internal network may copy and use the documentation for your internal, reference purposes. 7. EXPORT RESTRICTIONS. The software is subject to United States export laws and regulations. You must comply with all domestic and international export laws and regulations that apply to the

software. These laws include restrictions on destinations, end users and end use.

For additional information, see www.microsoft.com/exporting. 8. SUPPORT SERVICES.

Because this software is "as is," we may not provide support services for it. 9.

ENTIRE AGREEMENT. This agreement, and the terms for supplements, updates,

Internet-based services and support services that you use, are the entire

agreement for the software and support services. 10. APPLICABLE LAW. a. United

States. If you acquired the software in the United States, Washington state law

governs the interpretation of this agreement and applies to claims for breach of

it, regardless of conflict of laws principles. The laws of the state where you

live govern all other claims, including claims under state consumer protection

laws, unfair competition laws, and in tort. b. Outside the United States. If you

acquired the software in any other country, the laws of that country apply. 11.

LEGAL EFFECT. This agreement describes certain legal rights. You may have other

rights under the laws of your country. You may also have rights with respect to

the party from whom you acquired the software. This agreement does not change

your rights under the laws of your country if the laws of your country do not

permit it to do so. 12. DISCLAIMER OF WARRANTY. THE SOFTWARE IS LICENSED "AS-IS."

YOU BEAR THE RISK OF USING IT. MICROSOFT GIVES NO EXPRESS WARRANTIES, GUARANTEES

OR CONDITIONS. YOU MAY HAVE ADDITIONAL CONSUMER RIGHTS OR STATUTORY GUARANTEES

UNDER YOUR LOCAL LAWS WHICH THIS AGREEMENT CANNOT CHANGE. TO THE EXTENT PERMITTED

UNDER YOUR LOCAL LAWS, MICROSOFT EXCLUDES THE IMPLIED WARRANTIES OF

MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. FOR

AUSTRALIA -- YOU HAVE STATUTORY GUARANTEES UNDER THE AUSTRALIAN CONSUMER LAW AND

NOTHING IN THESE TERMS IS INTENDED TO AFFECT THOSE RIGHTS. 13. LIMITATION ON AND

EXCLUSION OF REMEDIES AND DAMAGES. YOU CAN RECOVER FROM MICROSOFT AND ITS

SUPPLIERS ONLY DIRECT DAMAGES UP TO U.S. $5.00. YOU CANNOT RECOVER ANY OTHER

DAMAGES, INCLUDING CONSEQUENTIAL, LOST PROFITS, SPECIAL, INDIRECT OR INCIDENTAL

DAMAGES. This limitation applies to * anything related to the software, services,

content (including code) on third party Internet sites, or third party programs;

and * claims for breach of contract, breach of warranty, guarantee or condition,

strict liability, negligence, or other tort to the extent permitted by applicable

law. It also applies even if Microsoft knew or should have known about the possibility of the damages. The above limitation or exclusion may not apply to you because your country may not allow the exclusion or limitation of incidental, consequential or other damages. Please note: As this software is distributed in Quebec, Canada, some of the clauses in this agreement are provided below in French. Remarque : Ce logiciel étant distribué au Québec, Canada, certaines des clauses dans ce contrat sont fournies ci-dessous en français. EXONÉRATION DE GARANTIE. Le logiciel visé par une licence est offert « tel quel ». Toute utilisation de ce logiciel est à votre seule risque et péril. Microsoft n'accorde aucune autre garantie expresse. Vous pouvez bénéficier de droits additionnels en vertu du droit local sur la protection des consommateurs, que ce contrat ne peut modifier. La ou elles sont permises par le droit locale, les garanties implicites de qualité marchande, d'adéquation à un usage particulier et d'absence de contrefaçon sont exclues. LIMITATION DES DOMMAGES-INTÉRÊTS ET EXCLUSION DE RESPONSABILITÉ POUR LES DOMMAGES. Vous pouvez obtenir de Microsoft et de ses fournisseurs une indemnisation en cas de dommages directs uniquement à hauteur de 5,00 $ US. Vous ne pouvez prétendre à aucune indemnisation pour les autres dommages, y compris les dommages spéciaux, indirects ou accessoires et pertes de bénéfices. Cette limitation concerne: * tout ce qui est relié au logiciel, aux services ou au contenu (y compris le code) figurant sur des sites Internet tiers ou dans des programmes tiers ; et * les réclamations au titre de violation de contrat ou de garantie, ou au titre de responsabilité stricte, de négligence ou d'une autre faute dans la limite autorisée par la loi en vigueur. Elle s'applique également, même si Microsoft connaissait ou devrait connaître l'éventualité d'un tel dommage. Si votre pays n'autorise pas l'exclusion ou la limitation de responsabilité pour les dommages indirects, accessoires ou de quelque nature que ce soit, il se peut que la limitation ou l'exclusion ci-dessus ne s'appliquera pas à votre égard. EFFET JURIDIQUE. Le présent contrat décrit certains droits juridiques. Vous pourriez avoir d'autres droits prévus par les lois de votre pays. Le présent contrat ne modifie pas les droits que vous confèrent les lois de votre pays si celles-ci ne le permettent pas.

Microsoft ASP.NET Model-View-Controller License

(Microsoft.Web.Infrastructure 1.0.0)

MICROSOFT SOFTWARE LICENSE TERMS

MICROSOFT ASP.NET MODEL VIEW CONTROLLER

======================================

These license terms are an agreement between Microsoft Corporation (or based on

where you live, one of its affiliates) and you. Please read them. They apply to

the software named above, which includes the media on which you received it, if

any. The terms also apply to any Microsoft

  * updates,

  * supplements,

  * Internet-based services, and

  * support services

for this software, unless other terms accompany those items. If so, those terms

apply. By using the software, you accept these terms. If you do not accept them,

do not use the software. If you comply with these license terms, you have the

rights below.

 1. INSTALLATION AND USE RIGHTS.

    a. Installation and Use. You may install and use any number of copies of

the software on your devices.

b. Third Party Programs. The software contains third party programs. The
license terms with those programs apply to your use of them.

2. Scope of License. The software is licensed, not sold. This agreement only
gives you some rights to use the software. Microsoft reserves all other
rights. Unless applicable law gives you more rights despite this limitation,
you may use the software only as expressly permitted in this agreement. In
doing so, you must comply with any technical limitations in the software that
only allow you to use it in certain ways. You may not

* work around any technical limitations in the software;

* reverse engineer, decompile or disassemble the software

, except and only to the extent that applicable law expressly permits,
despite this limitation;

3. publish the software for others to copy;

4. rent, lease or lend the software; or

5. transfer the software or this agreement to any third party.

6. BACKUP COPY. You may make one backup copy of the software. You may use it
only to reinstall the software.

7. DOCUMENTATION. Any person that has valid access to your computer or
internal network may copy and use the documentation for your internal,
reference purposes.

8. Export Restrictions. The software is subject to United States export laws and regulations. You must comply with all domestic and international export laws and regulations that apply to the software. These laws include restrictions on destinations, end users and end use. For additional information, see www.microsoft.com/exporting.

9. SUPPORT SERVICES. Because this software is "as is," we may not provide support services for it.

10. Entire Agreement. This agreement, and the terms for supplements, updates, Internet-based services and support services that you use, are the entire agreement for the software and support services.

11. Applicable Law.

  a. United States. If you acquired the software in the United States, Washington state law governs the interpretation of this agreement and applies to claims for breach of it, regardless of conflict of laws principles. The laws of the state where you live govern all other claims, including claims under state consumer protection laws, unfair competition laws, and in tort.

  b. Outside the United States. If you acquired the software in any other country, the laws of that country apply.

12. Legal Effect. This agreement describes certain legal rights. You may have other rights under the laws of your country. You may also have rights with respect to the party from whom you acquired the software. This agreement does not change your rights under the laws of your country if the laws of your country do not permit it to do so.

13. Disclaimer of Warranty. The software is licensed "as-is." You bear the

risk of using it. Microsoft gives no express warranties, guarantees or

conditions. You may have additional consumer rights under your local laws

which this agreement cannot change. To the extent permitted under your local

laws, Microsoft excludes the implied warranties of merchantability, fitness

for a particular purpose and non-infringement.

14. Limitation on and Exclusion of Remedies and Damages. You can recover from

Microsoft and its suppliers only direct damages up to U.S. $5.00. You cannot

recover any other damages, including consequential, lost profits, special,

indirect or incidental damages. This limitation applies to anything related

to the software, services, content (including code) on third party Internet

sites, or third party programs; and claims for breach of contract, breach of

warranty, guarantee or condition, strict liability, negligence, or other tort

to the extent permitted by applicable law. It also applies even if Microsoft

knew or should have known about the possibility of the damages. The above

limitation or exclusion may not apply to you because your country may not

allow the exclusion or limitation of incidental, consequential or other

damages.

Please note: As this software is distributed in Quebec, Canada, some of the

clauses in this agreement are provided below in French.

Remarque : Ce logiciel étant distribué au Québec, Canada, certaines des clauses

dans ce contrat sont fournies ci-dessous en français.

EXONÉRATION DE GARANTIE. Le logiciel visé par une licence est offert « tel quel

». Toute utilisation de ce logiciel est à votre seule risque et péril. Microsoft

n'accorde aucune autre garantie expresse. Vous pouvez bénéficier de droits

additionnels en vertu du droit local sur la protection des consommateurs, que ce

contrat ne peut modifier. La ou elles sont permises par le droit locale, les

garanties implicites de qualité marchande, d'adéquation à un usage particulier et

d'absence de contrefaçon sont exclues.

LIMITATION DES DOMMAGES-INTÉRÊTS ET EXCLUSION DE RESPONSABILITÉ POUR LES

DOMMAGES. Vous pouvez obtenir de Microsoft et de ses fournisseurs une

indemnisation en cas de dommages directs uniquement à hauteur de 5,00 $ US. Vous

ne pouvez prétendre à aucune indemnisation pour les autres dommages, y compris

les dommages spéciaux, indirects ou accessoires et pertes de bénéfices.

Cette limitation concerne :

tout ce qui est relié au logiciel, aux services ou au contenu (y compris le code)

figurant sur des sites Internet tiers ou dans des programmes tiers ; et

les réclamations au titre de violation de contrat ou de garantie, ou au titre de

responsabilité stricte, de négligence ou d'une autre faute dans la limite

autorisée par la loi en vigueur.

Elle s'applique également, même si Microsoft connaissait ou devrait connaître

l'éventualité d'un tel dommage. Si votre pays n'autorise pas l'exclusion ou la

limitation de responsabilité pour les dommages indirects, accessoires ou de

quelque nature que ce soit, il se peut que la limitation ou l'exclusion ci-dessus

ne s'appliquera pas à votre égard.

EFFET JURIDIQUE. Le présent contrat décrit certains droits juridiques. Vous

pourriez avoir d'autres droits prévus par les lois de votre pays. Le présent

contrat ne modifie pas les droits que vous confèrent les lois de votre pays si

celles-ci ne le permettent pas.

Microsoft ASP.NET Web Pages 2 EULA

(Microsoft ASP.NET Web Pages 2.0.20710.0)

MICROSOFT SOFTWARE LICENSE TERMS

MICROSOFT ASP.NET WEB PAGES 2

===============================

These license terms are an agreement between Microsoft Corporation (or based on

where you live, one of its affiliates) and you. Please read them. They apply to

the software named above, which includes the media on which you received it, if

any. The terms also apply to any Microsoft

 * updates,

 * supplements,

 * Internet-based services, and

 * support services

for this software, unless other terms accompany those items. If so, those terms

apply.

By using the software, you accept these terms. If you do not accept them, do not

use the software.

As described below, using some features also operates as your consent to the

transmission of certain standard computer information for Internet-based

services.

If you comply with these license terms, you have the perpetual rights below.

1. INSTALLATION AND USE RIGHTS. You may install and use any number of copies of

the software on your devices for use with your ASP.NET programs. You may

modify, copy and distribute or deploy any .js files contained in the software

as part of your ASP.NET programs.

2. ADDITIONAL LICENSING REQUIREMENTS AND/OR USE RIGHTS.

a. Distributable Code. In addition to the .js files described above, the

software contains code that you are permitted to distribute in ASP.NET

programs you develop if you comply with the terms below.

i. Right to Use and Distribute. The code and text files listed below are

"Distributable Code."

Redistributable DLL files. You may copy and distribute the object

code form of the following files.

* NuGet.Core.dll

* Microsoft.Web.Infrastructure.dll

* Microsoft.Web.WebPages.OAuth.dll

* Microsoft.Web.Helpers.dll

* System.Web.Helpers.dll

* System.Web.Razor.dll

* System.Web.WebPages.dll

* System.Web.WebPages.Administration.dll

* System.Web.WebPages.Deployment.dll

* System.Web.WebPages.Razor.dll

* WebMatrix.Data.dll

* WebMatrix.WebData.dll

Third Party Distribution. You may permit distributors of your

programs to copy and distribute the Distributable Code as part of

those programs.

ii. Distribution Requirements. For any Distributable Code you distribute,

you must

* add significant primary functionality to it in your programs;

* require distributors and external end users to agree to terms that

protect it at least as much as this agreement;

* display your valid copyright notice on your programs; and

* indemnify, defend, and hold harmless Microsoft from any claims,

including attorneys' fees, related to the distribution or use of

your programs.

iii. Distribution Restrictions. You may not

* alter any copyright, trademark or patent notice in the Distributable

Code;

>use Microsoft's trademarks in your programs' names or in a way that

suggests your programs come from or are endorsed by Microsoft;

3. distribute Distributable Code to run on a platform other than the Windows

platform;

4. include Distributable Code in malicious, deceptive or unlawful programs; or

5. modify or distribute the source code of any Distributable Code so that any

part of it becomes subject to an Excluded License. An Excluded License is one

that requires, as a condition of use, modification or distribution, that

* the code be disclosed or distributed in source code form; or

* others have the right to modify it.

* INTERNET-BASED SERVICES. Microsoft provides Internet-based services with the

software. It may change or cancel them at any time.

a. Consent for Internet-Based Services. The software feature described below

connects to Microsoft or service provider computer systems over the

Internet. In some cases, you will not receive a separate notice when they

connect. You may switch off this feature or not use it. For more

information about this feature, see http://docs.nuget.org. By using this

feature, you consent to the transmission of this information. Microsoft

does not use the information to identify or contact you.

i. Computer Information. The following feature uses Internet protocols,

which send to the appropriate systems computer information, such as your

Internet protocol address, the type of operating system, browser and name

and version of the software you are using, and the language code of the

device where you installed the software. Microsoft uses this information

to make the Internet-based service available to you.

* Open Data (OData) Service. This software will access a list of packages

that are supplied by means of an OData service online from Microsoft or

a third-party service provider.

* Installing Packages and their Dependencies. Please refer to the

"Package Manager and Third Party Software Installation Features"

section below for a description of this feature.

* Use of Information. We or the third-party service provider may use the

computer information to improve our or their software and services. We

or they may also share the computer information with others, such as

hardware and software vendors.

b. Misuse of Internet-based Services. You may not use this service in any way

that could harm it or impair anyone else's use of it. You may not use the

service to try to gain unauthorized access to any service, data, account or

network by any means.

* PACKAGE MANAGER AND THIRD PARTY SOFTWARE INSTALLATION FEATURES. The software

includes the following features (each a "Feature"), each of which enables you

to obtain software applications or packages through the Internet from other

sources: Package Manager Feature. Those software applications and packages

are offered and distributed in some cases by third parties and in some cases

by Microsoft, but each such application or package is under its own license

terms. Microsoft is not developing, distributing or licensing any of the

third-party applications or packages to you, but instead, as a convenience,

enables you to use the Features to access or obtain those applications or

packages directly from the third-party application or package providers. By

using the Features, you acknowledge and agree that:

* you are obtaining the applications or packages from such third parties and

  under separate license terms applicable to each application or package

  (including, with respect to the package-manager Features, any terms

  applicable to software dependencies that may be included in the package);

* that it is your responsibility to locate, understand and comply with all

  applicable license terms for each such application or package; and

* with respect to the package-manager Features, this includes your

  responsibility to follow the package source (feed) URL or by reviewing the

  packages for embedded notices or license terms.

Microsoft makes no representations, warranties or guarantees as to the feed or

gallery URL, any feeds or galleries from such URL, the information contained

therein, or any software applications or packages referenced in or accessed by

you through such feeds or galleries. Microsoft grants you no license rights for

third-party software applications or packages that are obtained using the

Features.

* THIRD PARTY NOTICES. The package manager feature of the software includes

  third party code. However, all such code is licensed by you by Microsoft

  under this license agreement, rather than licensed to you by any third party

  under some other license terms. Notices, if any, for the third party code are

  included with this software for your information only.

* SCOPE OF LICENSE. The software is licensed, not sold. This agreement only

  gives you some rights to use the software. Microsoft reserves all other

rights. Unless applicable law gives you more rights despite this limitation,
you may use the software only as expressly permitted in this agreement. In
doing so, you must comply with any technical limitations in the software that
only allow you to use it in certain ways. You may not

  * disclose the results of any benchmark tests of the software to any third
    party without Microsoft's prior written approval;

  * work around any technical limitations in the software;

  * reverse engineer, decompile or disassemble the software, except and only
    to the extent that applicable law expressly permits, despite this
    limitation;

  * make more copies of the software than specified in this agreement or
    allowed by applicable law, despite this limitation;

  * publish the software for others to copy;

  * rent, lease or lend the software;

  * transfer the software or this agreement to any third party; or

  * use the software for commercial software hosting services.

* BACKUP COPY. You may make one backup copy of the software. You may use it
  only to reinstall the software.

* DOCUMENTATION. Any person that has valid access to your computer or internal
  network may copy and use the documentation for your internal, reference
  purposes.

* EXPORT RESTRICTIONS. The software is subject to United States export laws and

  regulations. You must comply with all domestic and international export laws

  and regulations that apply to the software. These laws include restrictions

  on destinations, end users and end use. For additional information, see

  www.microsoft.com/exporting.

* SUPPORT SERVICES. Because this software is "as is," we may not provide

  support services for it.

* ENTIRE AGREEMENT. This agreement, and the terms for supplements, updates,

  Internet-based services and support services that you use, are the entire

  agreement for the software and support services.

* APPLICABLE LAW.

  a. United States. If you acquired the software in the United States,

     Washington state law governs the interpretation of this agreement and

     applies to claims for breach of it, regardless of conflict of laws

     principles. The laws of the state where you live govern all other claims,

     including claims under state consumer protection laws, unfair competition

     laws, and in tort.

  b. Outside the United States. If you acquired the software in any other

     country, the laws of that country apply.

* LEGAL EFFECT. This agreement describes certain legal rights. You may have

  other rights under the laws of your country. You may also have rights with

  respect to the party from whom you acquired the software. This agreement does

  not change your rights under the laws of your country if the laws of your

  country do not permit it to do so.

* DISCLAIMER OF WARRANTY. The software is licensed "as-is." You bear the risk

  of using it. Microsoft gives no express warranties, guarantees or conditions.

  You may have additional consumer rights or statutory guarantees under your

  local laws which this agreement cannot change. To the extent permitted under

  your local laws, Microsoft excludes the implied warranties of

  merchantability, fitness for a particular purpose and non-infringement.

  FOR AUSTRALIA – You have statutory guarantees under the Australian Consumer

  Law and nothing in these terms is intended to affect those rights.

* LIMITATION ON AND EXCLUSION OF REMEDIES AND DAMAGES. You can recover from

  Microsoft and its suppliers only direct damages up to U.S. $5.00. You cannot

  recover any other damages, including consequential, lost profits, special,

  indirect or incidental damages.

  This limitation applies to

   * anything related to the software, services, content (including code) on

     third party Internet sites, or third party programs; and

   * claims for breach of contract, breach of warranty, guarantee or

     condition, strict liability, negligence, or other tort to the extent

     permitted by applicable law.

  It also applies even if Microsoft knew or should have known about the

  possibility of the damages. The above limitation or exclusion may not apply

  to you because your country may not allow the exclusion or limitation of

  incidental, consequential or other damages.

Johnson Controls, Inc.   **Restricted**

Microsoft License Terms - Product or Version Unspecified

(Microsoft.Web.Administration 7.0.0.0)

The package or product declaration indicated Microsoft license terms, but more specific information is not currently available.

It is recommended to consult the precise language supplied with the package or product version being used.

Common restrictions in Microsoft license terms include, but are not limited to:

Restrictions on distribution.

Restrictions on reverse engineering, decompiling, or disassembling.

Restrictions on removing attribution or proprietary notices.

Common obligations in Microsoft license terms include, but are not limited to:

Granting Microsoft the right to collect data about your usage.

Indemnifying Microsoft from any losses due to your distribution of the software.

Requiring that parties to whom you distribute code agree to similar license terms.

Microsoft offers online tools to assist in license determination:

MICROSOFT SOFTWARE LICENSE TERMS

MICROSOFT MSN WEBGREASE

==============================

These license terms are an agreement between Microsoft Corporation (or based on

where you live, one of its affiliates) and you. Please read them. They apply to

the software named above, which includes the media on which you received it, if

any. The terms also apply to any Microsoft

  * updates,

  * supplements,

  * Internet-based services, and

  * support services

for this software, unless other terms accompany those items. If so, those terms

apply.

By using the software, you accept these terms. If you do not accept them, do not

use the software.

If you comply with these license terms, you have the perpetual rights below.

  1. INSTALLATION AND USE RIGHTS.

     a. Installation and Use. One user may install and use any number of copies

        of the software on your devices.

b. Third Party Notices. The software may include third party code.

Microsoft, not the third party, licenses to you under the terms set forth

in this agreement. Notices, if any, for any third party code are included

for your information only.

2. ADDITIONAL LICENSING REQUIREMENTS AND/OR USE RIGHTS.

a. Distributable Code. The software contains code that you are permitted

to distribute in programs you develop if you comply with the terms below.

i. Right to Use and Distribute. The code and text files listed below

are "Distributable Code."

* Redistributable Files. You may copy and distribute the object

code form of the following files.

§ WebGrease.dll

§ WG.exe

* Third Party Distribution. You may permit distributors of your

programs to copy and distribute the Distributable Code as part of

those programs.

ii. Distribution Requirements. For any Distributable Code you

distribute, you must

* add primary functionality to it in your programs;

* for any Distributable Code having a filename extension of .lib,

distribute only the results of running such Distributable Code

through a linker with your program;

* distribute Distributable Code included in a setup program only

  as part of that setup program without modification;

* require distributors and external end users to agree to terms

  that protect it at least as much as this agreement;

* display your valid copyright notice on your programs; and

* indemnify, defend, and hold harmless Microsoft from any claims,

  including attorneys' fees, related to the distribution or use of

  your programs.

iii. Distribution Restrictions. You may not

* alter any copyright, trademark or patent notice in the

  Distributable Code;

* use Microsoft's trademarks in your programs' names or in a way

  that suggests your programs come from or are endorsed by

  Microsoft;

* distribute Distributable Code to run on a platform other than the

  Windows platform;

* include Distributable Code in malicious, deceptive or unlawful

  programs; or

* modify or distribute the source code of any Distributable Code

  so that any part of it becomes subject to an Excluded License. An

Excluded License is one that requires, as a condition of use, modification or distribution, that

* the code be disclosed or distributed in source code form; or

* others have the right to modify it.

3. INTERNET-BASED SERVICES. Microsoft provides Internet-based services with the software. It may change or cancel them at any time. You may not use these services in any way that could harm them or impair anyone else?s use of them. You may not use the services to try to gain unauthorized access to any service, data, account or network by any means.

4. SCOPE OF LICENSE. The software is licensed, not sold. This agreement only gives you some rights to use the software. Microsoft reserves all other rights. Unless applicable law gives you more rights despite this limitation, you may use the software only as expressly permitted in this agreement.In doing so, you must comply with any technical limitations in the software that only allow you to use it in certain ways. You may not

* work around any technical limitations in the software;

* reverse engineer, decompile or disassemble the software, except and only to the extent that applicable law expressly permits, despite this limitation;

* make more copies of the software than specified in this agreement or allowed by applicable law, despite this limitation;

* publish the software for others to copy;

    * rent, lease or lend the software; or

    * transfer the software or this agreement to any third party.

5. BACKUP COPY. You may make one backup copy of the software. You may use it
  only to reinstall the software.

6. DOCUMENTATION. Any person that has valid access to your computer or
  internal network may copy and use the documentation for your internal,
  reference purposes.

7. EXPORT RESTRICTIONS. The software is subject to United States export laws
  and regulations. You must comply with all domestic and international export
  laws and regulations that apply to the software. These laws include
  restrictions on destinations, end users and end use. For additional
  information, see www.microsoft.com/exporting.

8. SUPPORT SERVICES. Because this software is 'as is,' we may not provide
  support services for it.

9. ENTIRE AGREEMENT. This agreement, and the terms for supplements, updates,
  Internet-based services and support services that you use, are the entire
  agreement for the software and support services.

10. APPLICABLE LAW.

  a. United States. If you acquired the software in the United States,
    Washington state law governs the interpretation of this agreement and
    applies to claims for breach of it, regardless of conflict of laws
    principles. The laws of the state where you live govern all other claims,
    including claims under state consumer protection laws, unfair competition

laws, and in tort.

b. Outside the United States. If you acquired the software in any other

country, the laws of that country apply.

11. LEGAL EFFECT. This agreement describes certain legal rights. You may have

other rights under the laws of your country. You may also have rights with

respect to the party from whom you acquired the software. This agreement does

not change your rights under the laws of your country if the laws of your

country do not permit it to do so.

12. DISCLAIMER OF WARRANTY. The software is licensed 'as-is.' You bear the

risk of using it. Microsoft gives no express warranties, guarantees or

conditions. You may have additional consumer rights under your local laws

which this agreement cannot change. To the extent permitted under your local

laws, Microsoft excludes the implied warranties of merchantability, fitness

for a particular purpose and non-infringement.

FOR AUSTRALIA — You have statutory guarantees under the Australian Consumer

Law and nothing in these terms is intended to affect those rights.

13. LIMITATION ON AND EXCLUSION of REMEDIES AND DAMAGES. You can recover from

Microsoft and its suppliers only direct damages up to US. $5.00. You cannot

recover any other damages, including consequential, lost profits, special,

indirect or incidental damages.

This limitation applies to

 * anything related to the software, services, content (including code) on

third party Internet sites, or third party programs; and

* claims for breach of contract, breach of warranty, guarantee or

    condition, strict liability, negligence, or other tort to the extent

    permitted by applicable law.

It also applies even if Microsoft knew or should have known about the

possibility of the damages. The above limitation or exclusion may not apply

to you because your country may not allow the exclusion or limitation of

incidental, consequential or other damages.

Please note: As this software is distributed in Quebec, Canada, these license

terms are provided below in French.

Remarque : Ce logiciel Ã©tant distribuÃ© au QuÃ©bec, Canada, les termes de cette

licence sont fournis ci-dessous en franÃ§ais.

TERMES DU CONTRAT DE LICENCE D?UN LOGICIEL MICROSOFT

MICROSOFT MSN WEBGREASE

==

Les prÃ©sents termes ont valeur de contrat entre Microsoft Corporation (ou en

fonction du lieu oÃ¹ vous vivez, l?un de ses affiliÃ©s) et vous. Lisez-les

attentivement. Ils portent sur le logiciel nommÃ© ci-dessus, y compris le support

sur lequel vous l?avez reÃ§u le cas Ã©chÃ©ant. Ce contrat porte Ã©galement sur

les produits Microsoft suivants :

  * les mises Ã jour,

  * les supplÃ©ments,

* les services Internet et

* les services d?assistance technique

de ce logiciel Ã moins que d?autres termes n?accompagnent ces produits, auquel cas, ces derniers prÃ©valent.

En utilisant le logiciel, vous acceptez ces termes. Si vous ne les acceptez pas, n?utilisez pas le logiciel.

Si vous respectez les prÃ©sentes conditions de licence, vous disposez des droits suivants pour la durÃ©e des droits de propriÃ©tÃ© intellectuelle.

1. INSTALLATION ET DROITS D?UTILISATION.

   a. Installation et utilisation. Un utilisateur peut installer et utiliser un nombre quelconque de copies du logiciel sur vos dispositifs.

   b. Logiciels tiers. Le logiciel contient des programmes tiers. Les termes qui accompagnent ces programmes s'appliquent, sauf mention contraire dans lesdits termes.

2. SERVICES INTERNET. Microsoft fournit des services Internet avec le logiciel. Ils peuvent Ãªtre modifiÃ©s ou interrompus Ã tout moment.

3. PORTEE DE LA LICENCE. Le logiciel est concÃ©dÃ© sous licence, pas vendu. Ce contrat vous octroie uniquement certains droits d?utilisation du logiciel. Microsoft se rÃ©serve tous les autres droits. Ã€ moins que la loi en vigueur vous confÃ¨re davantage de droits nonobstant cette limitation, vous pouvez

utiliser le logiciel uniquement tel qu?explicitement autorisé dans le
présent accord. À cette fin, vous devez respecter les restrictions
techniques du logiciel qui autorisent uniquement son utilisation de certaines
façons. Vous n?êtes pas autorisé à :

  * contourner les limitations techniques du logiciel ;

  * reconstituer la logique du logiciel, le décompiler ou le désassembler,
    sauf dans la mesure où ces opérations seraient expressément
    autorisées par la réglementation applicable nonobstant la présente
    limitation ;

  * faire plus de copies du logiciel que spécifié dans ce contrat ou par
    la réglementation applicable, nonobstant la présente limitation ;

  * publier le logiciel pour que d?autres le copient ;

  * louer ou prêter le logiciel ; ou

  * transférer le logiciel ou le présent contrat à un tiers.

4. COPIE DE SAUVEGARDE. Vous êtes autorisé à effectuer une copie de
 sauvegarde du logiciel. Vous ne pouvez l?utiliser que dans le but de
 réinstaller le logiciel.

5. DOCUMENTATION. Tout utilisateur disposant d?un accès valide à votre
 ordinateur ou à votre réseau interne peut copier et utiliser la
 documentation à des fins de référence interne.

6. RESTRICTIONS À L?EXPORTATION. Le logiciel est soumis à la réglementation
 américaine relative à l?exportation. Vous devez vous conformer à toutes

les réglementations nationales et internationales relatives aux exportations concernant le logiciel. Ces réglementations comprennent les restrictions sur les destinations, les utilisateurs finaux et l?utilisation finale. Pour plus d?informations, consultez le site www.microsoft.com/exporting.

7. SERVICES D?ASSISTANCE TECHNIQUE. Comme ce logiciel est fourni « en l'état », nous ne fourniront aucun service d?assistance.

8. INTÉGRALITÉ DES ACCORDS. Le présent contrat ainsi que les termes concernant les suppléments, les mises à jour, les services Internet et d?assistance technique constituent l?intégralité des accords en ce qui concerne le logiciel et les services d?assistance technique.

9. DROIT APPLICABLE.

a. États-Unis. Si vous avez acquis le logiciel aux États-Unis, les lois de l?État de Washington, États-Unis d?Amérique, régissent l?interprétation de ce contrat et s?appliquent en cas de réclamation pour violation dudit contrat, nonobstant les conflits de principes juridiques. La réglementation du pays dans lequel vous vivez régit toutes les autres réclamations, notamment, et sans limitation, les réclamations dans le cadre des lois en faveur de la protection des consommateurs, relatives à la concurrence et aux délits.

b. En dehors des États-Unis. Si vous avez acquis le logiciel dans un autre pays, les lois de ce pays s?appliquent.

10. EFFET JURIDIQUE. Le présent contrat décrit certains droits juridiques. Vous pourriez avoir d?autres droits prévus par les lois de votre pays. Vous pourriez également avoir des droits à l?égard de la partie de qui vous avez acquis le logiciel. Le présent contrat ne modifie pas les droits que

vous confÃ¨rent les lois de votre ou pays si celles-ci ne le permettent pas.

11. EXCLUSIONS DE GARANTIE. Le logiciel est concÃ©dÃ© sous licence Â« en
l?Ã©tat Â». Vous assumez tous les risques liÃ©s Ã son utilisation. Microsoft
n?accorde aucune garantie ou condition expresse. Vous pouvez bÃ©nÃ©ficier de
droits des consommateurs supplÃ©mentaires dans le cadre du droit local, que
ce contrat ne peut modifier. Lorsque cela est autorisÃ© par le droit local,
Microsoft exclut les garanties implicites de qualitÃ©, d?adÃ©quation Ã un
usage particulier et d?absence de contrefaÃ§on.

12. LIMITATION ET EXCLUSION DE RECOURS ET DE DOMMAGES. Vous pouvez obtenir de
Microsoft et de ses fournisseurs une indemnisation en cas de dommages directs
limitÃ©e uniquement Ã hauteur de 5,00 $ US. Vous ne pouvez prÃ©tendre Ã
aucune indemnisation pour les autres dommages, y compris les dommages
spÃ©ciaux, indirects ou accessoires et pertes de bÃ©nÃ©fices.

Cette limitation concerne :

  * toute affaire liÃ©e au logiciel, aux services ou au contenu (y compris
    le code) figurant sur des sites Internet tiers ou dans des programmes
    tiers et

  * les rÃ©clamations au titre de violation de contrat ou de garantie, ou au

Microsoft Public License

(AntiXSS 4.2.1, CsvHelper 6.1.1, SVG Rendering Library 2.0.0, WebActivatorEx 2.0.0)

Microsoft Public License (Ms-PL)

==============================

This license governs use of the accompanying software. If you use the software,
you accept this license. If you do not accept the license, do not use the
software.

1. Definitions

   The terms "reproduce," "reproduction," "derivative works," and "distribution"
   have the same meaning here as under U.S. copyright law.
   A "contribution" is the original software, or any additions or changes to the
   software.
   A "contributor" is any person that distributes its contribution under this
   license.
   "Licensed patents" are a contributor's patent claims that read directly on
   its contribution.

2. Grant of Rights

   A. Copyright Grant- Subject to the terms of this license, including the
      license conditions and limitations in section 3, each contributor grants
      you a non-exclusive, worldwide, royalty-free copyright license to
      reproduce its contribution, prepare derivative works of its contribution,
      and distribute its contribution or any derivative works that you create.

B. Patent Grant- Subject to the terms of this license, including the

license conditions and limitations in section 3, each contributor grants

you a non-exclusive, worldwide, royalty-free license under its licensed

patents to make, have made, use, sell, offer for sale, import, and/or

otherwise dispose of its contribution in the software or derivative works

of the contribution in the software.

3. Conditions and Limitations

A. No Trademark License- This license does not grant you rights to use any

contributors' name, logo, or trademarks.

B. If you bring a patent claim against any contributor over patents that

you claim are infringed by the software, your patent license from such

contributor to the software ends automatically.

C. If you distribute any portion of the software, you must retain all

copyright, patent, trademark, and attribution notices that are present in

the software.

D. If you distribute any portion of the software in source code form, you

may do so only under this license by including a complete copy of this

license with your distribution. If you distribute any portion of the

software in compiled or object code form, you may only do so under a

license that complies with this license.

E. The software is licensed "as-is." You bear the risk of using it. The

contributors give no express warranties, guarantees or conditions. You

may have additional consumer rights under your local laws which this

license cannot change. To the extent permitted under your local laws, the

contributors exclude the implied warranties of merchantability, fitness

for a particular purpose and non-infringement.

Microsoft Reciprocal License

(Windows Installer XML (WiX) toolset 3.11.0)

Microsoft Reciprocal License (Ms-RL)

===================================

This license governs use of the accompanying software. If you use the software,
you accept this license. If you do not accept the license, do not use the
software.

 1. Definitions
    The terms "reproduce," "reproduction," "derivative works," and "distribution"
    have the same meaning here as under U.S. copyright law.
    A "contribution" is the original software, or any additions or changes to the
    software.
    A "contributor" is any person that distributes its contribution under this
    license.
    "Licensed patents" are a contributor's patent claims that read directly on
    its contribution.

 2. Grant of Rights

    A. Copyright Grant- Subject to the terms of this license, including the
      license conditions and limitations in section 3, each contributor grants
      you a non-exclusive, worldwide, royalty-free copyright license to
      reproduce its contribution, prepare derivative works of its contribution,
      and distribute its contribution or any derivative works that you create.

B. Patent Grant- Subject to the terms of this license, including the

license conditions and limitations in section 3, each contributor grants

you a non-exclusive, worldwide, royalty-free license under its licensed

patents to make, have made, use, sell, offer for sale, import, and/or

otherwise dispose of its contribution in the software or derivative works

of the contribution in the software.

3. Conditions and Limitations

A. Reciprocal Grants- For any file you distribute that contains code from

the software (in source code or binary format), you must provide

recipients the source code to that file along with a copy of this

license, which license will govern that file. You may license other files

that are entirely your own work and do not contain code from the software

under any terms you choose.

B. No Trademark License- This license does not grant you rights to use any

contributors' name, logo, or trademarks.

C. If you bring a patent claim against any contributor over patents that

you claim are infringed by the software, your patent license from such

contributor to the software ends automatically.

D. If you distribute any portion of the software, you must retain all

copyright, patent, trademark, and attribution notices that are present in

the software.

E. If you distribute any portion of the software in source code form, you

may do so only under this license by including a complete copy of this

license with your distribution. If you distribute any portion of the

software in compiled or object code form, you may only do so under a

license that complies with this license.

F. The software is licensed "as-is." You bear the risk of using it. The

contributors give no express warranties, guarantees or conditions. You

may have additional consumer rights under your local laws which this

license cannot change. To the extent permitted under your local laws, the

contributors exclude the implied warranties of merchantability, fitness

for a particular purpose and non-infringement.

Mozilla Public License 1.1

(rabbitmq-dotnet-client 5.1.2)

MOZILLA PUBLIC LICENSE

=====================

Version 1.1

----

1. Definitions.

  1.0.1. "Commercial Use" means distribution or otherwise making the Covered Code

  available to a third party.

  1.1. ''Contributor'' means each entity that creates or contributes to the

  creation of Modifications.

  1.2. ''Contributor Version'' means the combination of the Original Code, prior

  Modifications used by a Contributor, and the Modifications made by that

  particular Contributor.

  1.3. ''Covered Code'' means the Original Code or Modifications or the

  combination of the Original Code and Modifications, in each case including

  portions thereof.

  1.4. ''Electronic Distribution Mechanism'' means a mechanism generally accepted

in the software development community for the electronic transfer of data.

1.5. ''Executable'' means Covered Code in any form other than Source Code.

1.6. ''Initial Developer'' means the individual or entity identified as the

Initial Developer in the Source Code notice required by Exhibit A.

1.7. ''Larger Work'' means a work which combines Covered Code or portions

thereof with code not governed by the terms of this License.

1.8. ''License'' means this document.

1.8.1. "Licensable" means having the right to grant, to the maximum extent

possible, whether at the time of the initial grant or subsequently acquired,

any and all of the rights conveyed herein.

1.9. ''Modifications'' means any addition to or deletion from the substance or

structure of either the Original Code or any previous Modifications. When

Covered Code is released as a series of files, a Modification is:

  A. Any addition to or deletion from the contents of a file containing

  Original Code or previous Modifications.

  B. Any new file that contains any part of the Original Code or previous

  Modifications.

1.10. ''Original Code'' means Source Code of computer software code which is

described in the Source Code notice required by Exhibit A as Original Code, and

which, at the time of its release under this License is not already Covered

Code governed by this License.

1.10.1. "Patent Claims" means any patent claim(s), now owned or hereafter acquired, including without limitation, method, process, and apparatus claims, in any patent Licensable by grantor.

1.11. ''Source Code'' means the preferred form of the Covered Code for making modifications to it, including all modules it contains, plus any associated interface definition files, scripts used to control compilation and installation of an Executable, or source code differential comparisons against either the Original Code or another well known, available Covered Code of the Contributor's choice. The Source Code can be in a compressed or archival form, provided the appropriate decompression or de-archiving software is widely available for no charge.

1.12. "You'' (or "Your") means an individual or a legal entity exercising rights under, and complying with all of the terms of, this License or a future version of this License issued under Section 6.1. For legal entities, "You'' includes any entity which controls, is controlled by, or is under common control with You. For purposes of this definition, "control'' means (a) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (b) ownership of more than fifty percent (50%) of the outstanding shares or beneficial ownership of such entity.

2. Source Code License.

2.1. The Initial Developer Grant. The Initial Developer hereby grants You a world-wide, royalty-free, non-exclusive license, subject to third party intellectual property claims:

(a) under intellectual property rights (other than patent or trademark) Licensable by Initial Developer to use, reproduce, modify, display, perform, sublicense and distribute the Original Code (or portions thereof) with or

without Modifications, and/or as part of a Larger Work; and

(b) under Patents Claims infringed by the making, using or selling of Original Code, to make, have made, use, practice, sell, and offer for sale, and/or otherwise dispose of the Original Code (or portions thereof).

(c) the licenses granted in this Section 2.1(a) and (b) are effective on the date Initial Developer first distributes Original Code under the terms of this License.

(d) Notwithstanding Section 2.1(b) above, no patent license is granted: 1) for code that You delete from the Original Code; 2) separate from the Original Code; or 3) for infringements caused by: i) the modification of the Original Code or ii) the combination of the Original Code with other software or devices.

2.2. Contributor Grant. Subject to third party intellectual property claims, each Contributor hereby grants You a world-wide, royalty-free, non-exclusive license

  (a) under intellectual property rights (other than patent or trademark) Licensable by Contributor, to use, reproduce, modify, display, perform, sublicense and distribute the Modifications created by such Contributor (or portions thereof) either on an unmodified basis, with other Modifications, as Covered Code and/or as part of a Larger Work; and

(b) under Patent Claims infringed by the making, using, or selling of Modifications made by that Contributor either alone and/or in combination with its Contributor Version (or portions of such combination), to make, use,

sell, offer for sale, have made, and/or otherwise dispose of: 1) Modifications made by that Contributor (or portions thereof); and 2) the combination of Modifications made by that Contributor with its Contributor Version (or portions of such combination).

(c) the licenses granted in Sections 2.2(a) and 2.2(b) are effective on the date Contributor first makes Commercial Use of the Covered Code.

(d)   Notwithstanding Section 2.2(b) above, no patent license is granted: 1) for any code that Contributor has deleted from the Contributor Version; 2) separate from the Contributor Version; 3) for infringements caused by: i) third party modifications of Contributor Version or ii) the combination of Modifications made by that Contributor with other software (except as part of the Contributor Version) or other devices; or 4) under Patent Claims infringed by Covered Code in the absence of Modifications made by that Contributor.

3. Distribution Obligations.

3.1. Application of License. The Modifications which You create or to which You contribute are governed by the terms of this License, including without limitation Section 2.2. The Source Code version of Covered Code may be distributed only under the terms of this License or a future version of this License released under Section 6.1, and You must include a copy of this License with every copy of the Source Code You distribute. You may not offer or impose any terms on any Source Code version that alters or restricts the applicable version of this License or the recipients' rights hereunder. However, You may include an additional document offering the additional rights described in Section 3.5.

3.2. Availability of Source Code. Any Modification which You create or to which You contribute must be made available in Source Code form under the terms of this License either on the same media as an Executable version or via an accepted Electronic Distribution Mechanism to anyone to whom you made an Executable version available; and if made available via Electronic Distribution Mechanism, must remain available for at least twelve (12) months after the date it initially became available, or at least six (6) months after a subsequent version of that particular Modification has been made available to such recipients. You are responsible for ensuring that the Source Code version remains available even if the Electronic Distribution Mechanism is maintained by a third party.

3.3. Description of Modifications. You must cause all Covered Code to which You contribute to contain a file documenting the changes You made to create that Covered Code and the date of any change. You must include a prominent statement that the Modification is derived, directly or indirectly, from Original Code provided by the Initial Developer and including the name of the Initial Developer in (a) the Source Code, and (b) in any notice in an Executable version or related documentation in which You describe the origin or ownership of the Covered Code.

3.4. Intellectual Property Matters

(a) Third Party Claims. If Contributor has knowledge that a license under a third party's intellectual property rights is required to exercise the rights granted by such Contributor under Sections 2.1 or 2.2, Contributor must include a text file with the Source Code distribution titled "LEGAL'' which describes the claim and the party making the claim in sufficient detail that a recipient will know whom to contact. If Contributor obtains such knowledge after the Modification is made available as described in Section 3.2, Contributor shall promptly modify the LEGAL file in all copies Contributor

makes available thereafter and shall take other steps (such as notifying

appropriate mailing lists or newsgroups) reasonably calculated to inform

those who received the Covered Code that new knowledge has been obtained.

(b) Contributor APIs. If Contributor's Modifications include an application

programming interface and Contributor has knowledge of patent licenses which

are reasonably necessary to implement that API, Contributor must also include

this information in the LEGAL file.

(c)   Representations.

Contributor represents that, except as disclosed pursuant to Section 3.4(a)

above, Contributor believes that Contributor's Modifications are

Contributor's original creation(s) and/or Contributor has sufficient rights

to grant the rights conveyed by this License.

3.5. Required Notices. You must duplicate the notice in Exhibit A in each file

of the Source Code. If it is not possible to put such notice in a particular

Source Code file due to its structure, then You must include such notice in a

location (such as a relevant directory) where a user would be likely to look

for such a notice. If You created one or more Modification(s) You may add your

name as a Contributor to the notice described in Exhibit A. You must also

duplicate this License in any documentation for the Source Code where You

describe recipients' rights or ownership rights relating to Covered Code. You

may choose to offer, and to charge a fee for, warranty, support, indemnity or

liability obligations to one or more recipients of Covered Code. However, You

may do so only on Your own behalf, and not on behalf of the Initial Developer

or any Contributor. You must make it absolutely clear than any such warranty,

support, indemnity or liability obligation is offered by You alone, and You

hereby agree to indemnify the Initial Developer and every Contributor for any

liability incurred by the Initial Developer or such Contributor as a result of warranty, support, indemnity or liability terms You offer.

3.6. Distribution of Executable Versions. You may distribute Covered Code in Executable form only if the requirements of Section 3.1-3.5 have been met for that Covered Code, and if You include a notice stating that the Source Code version of the Covered Code is available under the terms of this License, including a description of how and where You have fulfilled the obligations of Section 3.2. The notice must be conspicuously included in any notice in an Executable version, related documentation or collateral in which You describe recipients' rights relating to the Covered Code. You may distribute the Executable version of Covered Code or ownership rights under a license of Your choice, which may contain terms different from this License, provided that You are in compliance with the terms of this License and that the license for the Executable version does not attempt to limit or alter the recipient's rights in the Source Code version from the rights set forth in this License. If You distribute the Executable version under a different license You must make it absolutely clear that any terms which differ from this License are offered by You alone, not by the Initial Developer or any Contributor. You hereby agree to indemnify the Initial Developer and every Contributor for any liability incurred by the Initial Developer or such Contributor as a result of any such terms You offer.

3.7. Larger Works. You may create a Larger Work by combining Covered Code with other code not governed by the terms of this License and distribute the Larger Work as a single product. In such a case, You must make sure the requirements of this License are fulfilled for the Covered Code.

4. Inability to Comply Due to Statute or Regulation.

If it is impossible for You to comply with any of the terms of this License

with respect to some or all of the Covered Code due to statute, judicial order, or regulation then You must: (a) comply with the terms of this License to the maximum extent possible; and (b) describe the limitations and the code they affect. Such description must be included in the LEGAL file described in Section 3.4 and must be included with all distributions of the Source Code. Except to the extent prohibited by statute or regulation, such description must be sufficiently detailed for a recipient of ordinary skill to be able to understand it.

5. Application of this License.

This License applies to code to which the Initial Developer has attached the notice in Exhibit A and to related Covered Code.

6. Versions of the License.

6.1. New Versions. Netscape Communications Corporation (''Netscape'') may publish revised and/or new versions of the License from time to time. Each version will be given a distinguishing version number.

6.2. Effect of New Versions. Once Covered Code has been published under a particular version of the License, You may always continue to use it under the terms of that version. You may also choose to use such Covered Code under the terms of any subsequent version of the License published by Netscape. No one other than Netscape has the right to modify the terms applicable to Covered Code created under this License.

6.3. Derivative Works. If You create or use a modified version of this License (which you may only do in order to apply it to code which is not already Covered Code governed by this License), You must (a) rename Your license so that the phrases ''Mozilla'', ''MOZILLAPL'', ''MOZPL'', ''Netscape'', "MPL",

''NPL'' or any confusingly similar phrase do not appear in your license (except

to note that your license differs from this License) and (b) otherwise make it

clear that Your version of the license contains terms which differ from the

Mozilla Public License and Netscape Public License. (Filling in the name of the

Initial Developer, Original Code or Contributor in the notice described in

Exhibit A shall not of themselves be deemed to be modifications of this

License.)

7. DISCLAIMER OF WARRANTY. COVERED CODE IS PROVIDED UNDER THIS LICENSE ON AN "AS

IS'' BASIS, WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESSED OR IMPLIED, INCLUDING,

WITHOUT LIMITATION, WARRANTIES THAT THE COVERED CODE IS FREE OF DEFECTS,

MERCHANTABLE, FIT FOR A PARTICULAR PURPOSE OR NON-INFRINGING. THE ENTIRE RISK AS

TO THE QUALITY AND PERFORMANCE OF THE COVERED CODE IS WITH YOU. SHOULD ANY

COVERED CODE PROVE DEFECTIVE IN ANY RESPECT, YOU (NOT THE INITIAL DEVELOPER OR

ANY OTHER CONTRIBUTOR) ASSUME THE COST OF ANY NECESSARY SERVICING, REPAIR OR

CORRECTION. THIS DISCLAIMER OF WARRANTY CONSTITUTES AN ESSENTIAL PART OF THIS

LICENSE. NO USE OF ANY COVERED CODE IS AUTHORIZED HEREUNDER EXCEPT UNDER THIS

DISCLAIMER. 8. TERMINATION.

8.1. This License and the rights granted hereunder will terminate

automatically if You fail to comply with terms herein and fail to cure such

breach within 30 days of becoming aware of the breach. All sublicenses to the

Covered Code which are properly granted shall survive any termination of this

License. Provisions which, by their nature, must remain in effect beyond the

termination of this License shall survive.

8.2. If You initiate litigation by asserting a patent infringement claim

(excluding declatory judgment actions) against Initial Developer or a

Contributor (the Initial Developer or Contributor against whom You file such

action is referred to as "Participant") alleging that:

(a) such Participant's Contributor Version directly or indirectly infringes any patent, then any and all rights granted by such Participant to You under Sections 2.1 and/or 2.2 of this License shall, upon 60 days notice from Participant terminate prospectively, unless if within 60 days after receipt of notice You either: (i) agree in writing to pay Participant a mutually agreeable reasonable royalty for Your past and future use of Modifications made by such Participant, or (ii) withdraw Your litigation claim with respect to the Contributor Version against such Participant. If within 60 days of notice, a reasonable royalty and payment arrangement are not mutually agreed upon in writing by the parties or the litigation claim is not withdrawn, the rights granted by Participant to You under Sections 2.1 and/or 2.2 automatically terminate at the expiration of the 60 day notice period specified above.

(b) any software, hardware, or device, other than such Participant's Contributor Version, directly or indirectly infringes any patent, then any rights granted to You by such Participant under Sections 2.1(b) and 2.2(b) are revoked effective as of the date You first made, used, sold, distributed, or had made, Modifications made by that Participant.

8.3. If You assert a patent infringement claim against Participant alleging that such Participant's Contributor Version directly or indirectly infringes any patent where such claim is resolved (such as by license or settlement) prior to the initiation of patent infringement litigation, then the reasonable value of the licenses granted by such Participant under Sections 2.1 or 2.2 shall be taken into account in determining the amount or value of any payment or license.

8.4. In the event of termination under Sections 8.1 or 8.2 above, all end user license agreements (excluding distributors and resellers) which have been validly granted by You or any distributor hereunder prior to termination shall survive termination.

9. LIMITATION OF LIABILITY. UNDER NO CIRCUMSTANCES AND UNDER NO LEGAL THEORY, WHETHER TORT (INCLUDING NEGLIGENCE), CONTRACT, OR OTHERWISE, SHALL YOU, THE INITIAL DEVELOPER, ANY OTHER CONTRIBUTOR, OR ANY DISTRIBUTOR OF COVERED CODE, OR ANY SUPPLIER OF ANY OF SUCH PARTIES, BE LIABLE TO ANY PERSON FOR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OF ANY CHARACTER INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF GOODWILL, WORK STOPPAGE, COMPUTER FAILURE OR MALFUNCTION, OR ANY AND ALL OTHER COMMERCIAL DAMAGES OR LOSSES, EVEN IF SUCH PARTY SHALL HAVE BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES. THIS LIMITATION OF LIABILITY SHALL NOT APPLY TO LIABILITY FOR DEATH OR PERSONAL INJURY RESULTING FROM SUCH PARTY'S NEGLIGENCE TO THE EXTENT APPLICABLE LAW PROHIBITS SUCH LIMITATION. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THIS EXCLUSION AND LIMITATION MAY NOT APPLY TO YOU. 10. U.S. GOVERNMENT END USERS.

The Covered Code is a ''commercial item,'' as that term is defined in 48 C.F.R. 2.101 (Oct. 1995), consisting of ''commercial computer software'' and ''commercial computer software documentation,'' as such terms are used in 48 C.F.R. 12.212 (Sept. 1995). Consistent with 48 C.F.R. 12.212 and 48 C.F.R. 227.7202-1 through 227.7202-4 (June 1995), all U.S. Government End Users acquire Covered Code with only those rights set forth herein.

11. MISCELLANEOUS.

This License represents the complete agreement concerning subject matter hereof. If any provision of this License is held to be unenforceable, such provision shall be reformed only to the extent necessary to make it enforceable. This License shall be governed by California law provisions (except to the extent applicable law, if any, provides otherwise), excluding its conflict-of-law provisions. With respect to disputes in which at least one party is a citizen of, or an entity chartered or registered to do business in

the United States of America, any litigation relating to this License shall be

subject to the jurisdiction of the Federal Courts of the Northern District of

California, with venue lying in Santa Clara County, California, with the losing

party responsible for costs, including without limitation, court costs and

reasonable attorneys' fees and expenses. The application of the United Nations

Convention on Contracts for the International Sale of Goods is expressly

excluded. Any law or regulation which provides that the language of a contract

shall be construed against the drafter shall not apply to this License.

12. RESPONSIBILITY FOR CLAIMS.

As between Initial Developer and the Contributors, each party is responsible

for claims and damages arising, directly or indirectly, out of its utilization

of rights under this License and You agree to work with Initial Developer and

Contributors to distribute such responsibility on an equitable basis. Nothing

herein is intended or shall be deemed to constitute any admission of liability.

13. MULTIPLE-LICENSED CODE.

Initial Developer may designate portions of the Covered Code as

Multiple-Licensed. Multiple-Licensedmeans that the Initial Developer permits

you to utilize portions of the Covered Code under Your choice of the MPL or the

alternative licenses, if any, specified by the Initial Developer in the file

described in Exhibit A.

EXHIBIT A -Mozilla Public License.

``The contents of this file are subject to the Mozilla Public License Version

1.1 (the "License"); you may not use this file except in compliance with the

License. You may obtain a copy of the License at http://www.mozilla.org/MPL/

Software distributed under the License is distributed on an "AS IS" basis,

WITHOUT WARRANTY OF ANY KIND, either express or implied. See the License for

the specific language governing rights and limitations under the License.

The Original Code is _____.

The Initial Developer of the Original Code is _____.

_____. All Rights Reserved.

Contributor(s): _____.

Alternatively, the contents of this file may be used under the terms of the

_____ license (the [___] License), in which case the provisions of [_____]

License are applicable instead of those above. If you wish to allow use of

your version of this file only under the terms of the [____] License and not to

allow others to use your version of this file under the MPL, indicate your

decision by deleting the provisions above and replace them with the notice

and other provisions required by the [___] License. If you do not delete the

provisions above, a recipient may use your version of this file under either

the MPL or the [___] License."

[NOTE: The text of this Exhibit A may differ slightly from the text of the

notices in the Source Code files of the Original Code. You should use the text

of this Exhibit A rather than the text found in the Original Code Source Code

for Your Modifications.]

SharpZipLib GPL License (GPL w/exception)

(SharpDevelop 0.85.2)

Sharp Zip Lib GPL License

=========================

This General Public License does not permit incorporating your program into

proprietary programs. If your program is a subroutine library, you may consider it more useful to permit linking proprietary applications with the library. If this is what you want to do, use the GNU Library General Public License instead of this License.

The library is released under the GPL with the following exception:

Linking this library statically or dynamically with other modules is making a combined work based on this library. Thus, the terms and conditions of the GNU General Public License cover the whole combination.

As a special exception, the copyright holders of this library give you permission to link this library with independent modules to produce an executable, regardless of the license terms of these independent modules, and to copy and distribute the resulting executable under terms of your choice, provided that you also meet, for each linked independent module, the terms and conditions of the license of that module. An independent module is a module which is not derived from or based on this library. If you modify this library, you may extend this exception to your version of the library, but you are not obligated to do so. If you do not wish to do so, delete this exception statement from your version.

Note The exception is changed to reflect the latest GNU Classpath exception. Older versions of #ziplib did have another exception, but the new one is clearer and it doesn't break compatibility with the old one.

Bottom line In plain English this means you can use this library in commercial closed-source applications.

The GNU General Public License (GPL)

Johnson Controls, Inc.   **Restricted**

====================================

Version 2, June 1991

Copyright (C) 1989, 1991 Free Software Foundation, Inc.

59 Temple Place, Suite 330, Boston, MA 02111-1307 USA

Everyone is permitted to copy and distribute verbatim copies

of this license document, but changing it is not allowed.

Preamble

The licenses for most software are designed to take away your freedom to share

and change it. By contrast, the GNU General Public License is intended to

guarantee your freedom to share and change free software--to make sure the

software is free for all its users. This General Public License applies to most

of the Free Software Foundation's software and to any other program whose authors

commit to using it. (Some other Free Software Foundation software is covered by

the GNU Library General Public License instead.) You can apply it to your

programs, too.

When we speak of free software, we are referring to freedom, not price. Our

General Public Licenses are designed to make sure that you have the freedom to

distribute copies of free software (and charge for this service if you wish),

that you receive source code or can get it if you want it, that you can change

the software or use pieces of it in new free programs; and that you know you can

do these things.

To protect your rights, we need to make restrictions that forbid anyone to deny

Johnson Controls, Inc.   **Restricted**

you these rights or to ask you to surrender the rights. These restrictions

translate to certain responsibilities for you if you distribute copies of the

software, or if you modify it.

For example, if you distribute copies of such a program, whether gratis or for a

fee, you must give the recipients all the rights that you have. You must make

sure that they, too, receive or can get the source code. And you must show them

these terms so they know their rights.

We protect your rights with two steps: (1) copyright the software, and (2) offer

you this license which gives you legal permission to copy, distribute and/or

modify the software.

Also, for each author's protection and ours, we want to make certain that

everyone understands that there is no warranty for this free software. If the

software is modified by someone else and passed on, we want its recipients to

know that what they have is not the original, so that any problems introduced by

others will not reflect on the original authors' reputations.

Finally, any free program is threatened constantly by software patents. We wish

to avoid the danger that redistributors of a free program will individually

obtain patent licenses, in effect making the program proprietary. To prevent

this, we have made it clear that any patent must be licensed for everyone's free

use or not licensed at all.

The precise terms and conditions for copying, distribution and modification

follow.

TERMS AND CONDITIONS FOR COPYING, DISTRIBUTION AND MODIFICATION

0. This License applies to any program or other work which contains a notice

placed by the copyright holder saying it may be distributed under the terms of this General Public License. The "Program", below, refers to any such program or work, and a "work based on the Program" means either the Program or any derivative work under copyright law: that is to say, a work containing the Program or a portion of it, either verbatim or with modifications and/or translated into another language. (Hereinafter, translation is included without limitation in the term "modification".) Each licensee is addressed as "you".

Activities other than copying, distribution and modification are not covered by this License; they are outside its scope. The act of running the Program is not restricted, and the output from the Program is covered only if its contents constitute a work based on the Program (independent of having been made by running the Program). Whether that is true depends on what the Program does.

1. You may copy and distribute verbatim copies of the Program's source code as you receive it, in any medium, provided that you conspicuously and appropriately publish on each copy an appropriate copyright notice and disclaimer of warranty; keep intact all the notices that refer to this License and to the absence of any warranty; and give any other recipients of the Program a copy of this License along with the Program.

You may charge a fee for the physical act of transferring a copy, and you may at your option offer warranty protection in exchange for a fee.

2. You may modify your copy or copies of the Program or any portion of it, thus forming a work based on the Program, and copy and distribute such modifications or work under the terms of Section 1 above, provided that you also meet all of these conditions:

   a) You must cause the modified files to carry prominent notices stating
   that you changed the files and the date of any change.

b) You must cause any work that you distribute or publish, that in whole or
in part contains or is derived from the Program or any part thereof, to be
licensed as a whole at no charge to all third parties under the terms of
this License.

c) If the modified program normally reads commands interactively when run,
you must cause it, when started running for such interactive use in the
most ordinary way, to print or display an announcement including an
appropriate copyright notice and a notice that there is no warranty (or
else, saying that you provide a warranty) and that users may redistribute
the program under these conditions, and telling the user how to view a copy
of this License. (Exception: if the Program itself is interactive but does
not normally print such an announcement, your work based on the Program is
not required to print an announcement.)

These requirements apply to the modified work as a whole. If identifiable
sections of that work are not derived from the Program, and can be reasonably
considered independent and separate works in themselves, then this License, and
its terms, do not apply to those sections when you distribute them as separate
works. But when you distribute the same sections as part of a whole which is a
work based on the Program, the distribution of the whole must be on the terms of
this License, whose permissions for other licensees extend to the entire whole,
and thus to each and every part regardless of who wrote it.

Thus, it is not the intent of this section to claim rights or contest your rights
to work written entirely by you; rather, the intent is to exercise the right to
control the distribution of derivative or collective works based on the Program.

In addition, mere aggregation of another work not based on the Program with the
Program (or with a work based on the Program) on a volume of a storage or

distribution medium does not bring the other work under the scope of this License.

3. You may copy and distribute the Program (or a work based on it, under Section 2) in object code or executable form under the terms of Sections 1 and 2 above provided that you also do one of the following:

   a) Accompany it with the complete corresponding machine-readable source code, which must be distributed under the terms of Sections 1 and 2 above on a medium customarily used for software interchange; or,

   b) Accompany it with a written offer, valid for at least three years, to give any third party, for a charge no more than your cost of physically performing source distribution, a complete machine-readable copy of the corresponding source code, to be distributed under the terms of Sections 1 and 2 above on a medium customarily used for software interchange; or,

   c) Accompany it with the information you received as to the offer to distribute corresponding source code. (This alternative is allowed only for noncommercial distribution

and only if you received the program in object code or executable form with such an offer, in accord with Subsection b above.)

The source code for a work means the preferred form of the work for making modifications to it. For an executable work, complete source code means all the source code for all modules it contains, plus any associated interface definition files, plus the scripts used to control compilation and installation of the executable. However, as a special exception, the source code distributed need not include anything that is normally distributed (in either source or binary form) with the major components (compiler, kernel, and so on) of the operating system

on which the executable runs, unless that component itself accompanies the executable.

If distribution of executable or object code is made by offering access to copy from a designated place, then offering equivalent access to copy the source code from the same place counts as distribution of the source code, even though third parties are not compelled to copy the source along with the object code.

4. You may not copy, modify, sublicense, or distribute the Program except as expressly provided under this License. Any attempt otherwise to copy, modify, sublicense or distribute the Program is void, and will automatically terminate your rights under this License. However, parties who have received copies, or rights, from you under this License will not have their licenses terminated so long as such parties remain in full compliance.

5. You are not required to accept this License, since you have not signed it. However, nothing else grants you permission to modify or distribute the Program or its derivative works. These actions are prohibited by law if you do not accept this License. Therefore, by modifying or distributing the Program (or any work based on the Program), you indicate your acceptance of this License to do so, and all its terms and conditions for copying, distributing or modifying the Program or works based on it.

6. Each time you redistribute the Program (or any work based on the Program), the recipient automatically receives a license from the original licensor to copy, distribute or modify the Program subject to these terms and conditions. You may not impose any further restrictions on the recipients' exercise of the rights granted herein. You are not responsible for enforcing compliance by third parties to this License.

7. If, as a consequence of a court judgment or allegation of patent infringement

or for any other reason (not limited to patent issues), conditions are imposed on

you (whether by court order, agreement or otherwise) that contradict the

conditions of this License, they do not excuse you from the conditions of this

License. If you cannot distribute so as to satisfy simultaneously your

obligations under this License and any other pertinent obligations, then as a

consequence you may not distribute the Program at all. For example, if a patent

license would not permit royalty-free redistribution of the Program by all those

who receive copies directly or indirectly through you, then the only way you

could satisfy both it and this License would be to refrain entirely from

distribution of the Program.

If any portion of this section is held invalid or unenforceable under any

particular circumstance, the balance of the section is intended to apply and the

section as a whole is intended to apply in other circumstances.

It is not the purpose of this section to induce you to infringe any patents or

other property right claims or to contest validity of any such claims; this

section has the sole purpose of protecting the integrity of the free software

distribution system, which is implemented by public license practices. Many

people have made generous contributions to the wide range of software distributed

through that system in reliance on consistent application of that system; it is

up to the author/donor to decide if he or she is willing to distribute software

through any other system and a licensee cannot impose that choice.

This section is intended to make thoroughly clear what is believed to be a

consequence of the rest of this License.

8. If the distribution and/or use of the Program is restricted in certain

countries either by patents or by copyrighted interfaces, the original copyright

holder who places the Program under this License may add an explicit geographical

distribution limitation excluding those countries, so that distribution is

permitted only in or among countries not thus excluded. In such case, this
License incorporates the limitation as if written in the body of this License.

9. The Free Software Foundation may publish revised and/or new versions of the
General Public License from time to time. Such new versions will be similar in
spirit to the present version, but may differ in detail to address new problems
or concerns.

Each version is given a distinguishing version number. If the Program specifies a
version number of this License which applies to it and "any later version", you
have the option of following the terms and conditions either of that version or
of any later version published by the Free Software Foundation. If the Program
does not specify a version number of this License, you may choose any version
ever published by the Free Software Foundation.

10. If you wish to incorporate parts of the Program into other free programs
whose distribution conditions are different, write to the author to ask for
permission. For software which is copyrighted by the Free Software Foundation,
write to the Free Software Foundation; we sometimes make exceptions for this. Our
decision will be guided by the two goals of preserving the free status of all
derivatives of our free software and of promoting the sharing and reuse of
software generally.

NO WARRANTY

11. BECAUSE THE PROGRAM IS LICENSED FREE OF CHARGE, THERE IS NO WARRANTY FOR THE
PROGRAM, TO THE EXTENT PERMITTED BY APPLICABLE LAW. EXCEPT WHEN OTHERWISE STATED
IN WRITING THE COPYRIGHT HOLDERS AND/OR OTHER PARTIES PROVIDE THE PROGRAM "AS IS"
WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESSED OR IMPLIED, INCLUDING, BUT NOT
LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A
PARTICULAR PURPOSE. THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE

PROGRAM IS WITH YOU. SHOULD THE PROGRAM PROVE DEFECTIVE, YOU ASSUME THE COST OF ALL NECESSARY SERVICING, REPAIR OR CORRECTION.

12. IN NO EVENT UNLESS REQUIRED BY APPLICABLE LAW OR AGREED TO IN WRITING WILL ANY COPYRIGHT HOLDER, OR ANY OTHER PARTY WHO MAY MODIFY AND/OR REDISTRIBUTE THE PROGRAM AS PERMITTED ABOVE, BE LIABLE TO YOU FOR DAMAGES, INCLUDING ANY GENERAL, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE THE PROGRAM (INCLUDING BUT NOT LIMITED TO LOSS OF DATA OR DATA BEING RENDERED INACCURATE OR LOSSES SUSTAINED BY YOU OR THIRD PARTIES OR A FAILURE OF THE PROGRAM TO OPERATE WITH ANY OTHER PROGRAMS), EVEN IF SUCH HOLDER OR OTHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

END OF TERMS AND CONDITIONS

How to Apply These Terms to Your New Programs

If you develop a new program, and you want it to be of the greatest possible use to the public, the best way to achieve this is to make it free software which everyone can redistribute and change under these terms.

To do so, attach the following notices to the program. It is safest to attach them to the start of each source file to most effectively convey the exclusion of warranty; and each file should have at least the "copyright" line and a pointer to where the full notice is found.

one line to give the program's name and a brief idea of what it does.

Copyright (C)

This program is free software; you can redistribute it and/or modify it under the terms of the GNU General Public License as published by the Free

Software Foundation; either version 2 of the License, or (at your option) any later version.

This program is distributed in the hope that it will be useful, but WITHOUT ANY WARRANTY; without even the implied warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE. See the GNU General Public License for more details.

You should have received a copy of the GNU General Public License along with this program; if not, write to the Free Software Foundation, Inc., 59 Temple Place, Suite 330, Boston, MA 02111-1307 USA

Also add information on how to contact you by electronic and paper mail.

If the program is interactive, make it output a short notice like this when it starts in an interactive mode:

Gnomovision version 69, Copyright (C) year name of author Gnomovision comes with ABSOLUTELY NO WARRANTY; for details type `show w'. This is free software, and you are welcome to redistribute it under certain conditions; type `show c' for details.

The hypothetical commands `show w' and `show c' should show the appropriate parts of the General Public License. Of course, the commands you use may be called something other than `show w' and `show c'; they could even be mouse-clicks or menu items--whatever suits your program.

You should also get your employer (if you work as a programmer) or your school, if any, to sign a "copyright disclaimer" for the program, if necessary. Here is a sample; alter the names:

Yoyodyne, Inc., hereby disclaims all copyright interest

in the program `Gnomovision' (which makes passes at compilers)

written by James Hacker.

signature of Ty Coon, 1 April 1989

Ty Coon, President of Vice

This General Public License does not permit incorporating your program into

proprietary programs. If your program is a subroutine library, you may consider

it more useful to permit linking proprietary applications with the library. If

this is what you want to do, use the GNU Library General Public License instead

of this License.

Sleepycat License

(MessagePack 1.4.2)

The Sleepycat License

=====================

Copyright (c) 1990-1999 Sleepycat Software. All rights reserved.

Redistribution and use in source and binary forms, with or without modification,

are permitted provided that the following conditions are met:

  * Redistributions of source code must retain the above copyright notice, this

    list of conditions and the following disclaimer.

* Redistributions in binary form must reproduce the above copyright notice,

this list of conditions and the following disclaimer in the documentation

and/or other materials provided with the distribution.

* Redistributions in any form must be accompanied by information on how to

obtain complete source code for the DB software and any accompanying software

that uses the DB software. The source code must either be included in the

distribution or be available for no more than the cost of distribution plus a

nominal fee, and must be freely redistributable under reasonable conditions.

For an executable file, complete source code means the source code for all

modules it contains. It does not include source code for modules or files

that typically accompany the major components of the operating system on

which the executable file runs.

The Unlicense

(js-big-integer 3.0.1)

The Unlicense

=============

This is free and unencumbered software released into the public domain.

Anyone is free to copy, modify, publish, use, compile, sell, or distribute this

software, either in source code form or as a compiled binary, for any purpose,

commercial or non-commercial, and by any means.

In jurisdictions that recognize copyright laws, the author or authors of this

software dedicate any and all copyright interest in the software to the public

domain. We make this dedication for the benefit of the public at large and to the

detriment of our heirs and successors. We intend this dedication to be an overt

act of relinquishment in perpetuity of all present and future rights to this

software under copyright law.

THE SOFTWARE IS PROVIDED "AS IS", WITHOUT WARRANTY OF ANY KIND, EXPRESS OR

IMPLIED, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY, FITNESS

FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT. IN NO EVENT SHALL THE AUTHORS BE

LIABLE FOR ANY CLAIM, DAMAGES OR OTHER LIABILITY, WHETHER IN AN ACTION OF

CONTRACT, TORT OR OTHERWISE, ARISING FROM, OUT OF OR IN CONNECTION WITH THE

SOFTWARE OR THE USE OR OTHER DEALINGS IN THE SOFTWARE.
